

Official County Commissioners' Proceedings, Continued

Pinedale, Wyoming  
November 2, 1971

A letter, of Instruction, to Paul Scherbel to survey the Scab Creek Road, was duly moved and seconded, and the County Clerk ordered to write Mr. Scherbel a letter.

Abner Hecox came in with a tentative plan for Gypsum Creek Subdivision, which the County Commissioners will view and have Mrs. Allen and Mr. Scherbel give their opinions on this Subdivision.

Otto Jensen was in to have his Road put on the County Road System. After much research we found in the Old County Records an indication that this might be a County Road and a letter to Fremont County Clerk was written for verification of the County Road.

Mr. Wheeler, Mr. Binning and Mr. Hammons were in to see about the Binning Road and what was being done to hurry the completion of this Road. The County Commissioners informed them that everything was being done to get the Job completed. Mr. Wheeler also inquired about a Radio to be put into the School Activities Bus and a letter was written to the Highway Department to get Prices and etc.

The Three applications for the Road and Bridge Foreman Job were opened and discussed. With nothing conclusive reached at this meeting.
