

## SUBLETTE COUNTY BOARD OF EQUALIZATION

Pinedale, Wyoming  
May 29, 1973

The first meeting of the County Board of Equalization for 1973 was held in the commissioners room of the County Court House commencing at 9:00 o'clock A.M. on May 29, 1973.

Present were Mike Marincic, chairman; Jake Pfisterer, member; Paul C. Hagenstein, member; and Hazel Werner, County assessor acting as clerk of the Board.

Many schedules were examined with no changes being made to any of them.

There was a discussion on the assessment of livestock moved to Sublette County for summer grazing. Most of these animals are listed on a pro-rata basis with the other counties involved.

Gerald Mason was in to see about a tax exemption on his building which is used for J.O.Y. meetings since this is a church sponsored youth organization. This request had to be refused since there is no legal statute for allowing such exemption.

There were no other requests or complaints from any taxpayer either by mail or in person.

There being no further business to come before the Board at this time, the meeting was recessed until 9:00 o'clock A.M. of June 11, 1973.

## SUBLETTE COUNTY BOARD OF EQUALIZATION

Pinedale, Wyoming  
June 11, 1973

The Board met this date following the recess of May 29. Present were Mike Marincic, chairman, Jake Pfisterer and Paul C. Hagenstein, members, with Jeane Horton, Deputy County Assessor acting as clerk for the Board.

Balance of schedules were checked with no changes or additions being made to any of them.

Mr. Mason was in again with respect to an exemption of taxes on his building which is being used by the Baptist Church Youth group which is incorporated under the name of JOY. County Attorney John S. Mackey met with the Board on this and his interpretation and opinion of the statute was that this property should be on the tax roll without exemption. Mr. Pfisterer advised Mr. Mason that the Board would have to abide by the County Attorney's advice and opinion that they could not grant this exemption.

Mr. Mason said he may have to have the Court rule on this matter.

There being no further business to come before the Board at this time, the meeting was adjourned for an indefinite period of time.
