Due to the number of people present, the meeting adjourned to the courtroom for a discussion on the zoning application, submitted by Wayne Feltner and Sulenta Construction Co., for a gravel pit on Mr. Feltner's property, containing approximately 20 acres, located in the E $\frac{1}{2}$  of lot 4, Section 7, T33N, R108W. In attendance were Mr. and Mrs. Wayne Feltner, George Pape, Doyle Coats, representing Sulenta Construction Co., Robert A. The property owners objected to the gravel pit because of the traffic and road conditions, devaluation of their property and esthetic damage. Commissioner Thompson said that he did not feel qualified to render a decision without viewing the area and that the Commissioners would do so in the very near future and advise those present when they had reached a decision.
