ATTEST:

OFFICIAL COUNTY COMMISSIONERS PROCEEDINGS

Pinedale, Wyoming
February 7, 1978

The Board of County Commissioners met in regular session this date at 9:00 A.M. Present: Robert Thompson, Chairman, C.F. Alexander and Lois E. Cobb, Members and Lois J. Yake, Clerk.

Bonds of Gay L. Harrower and Ken M. McLaughlin as dispatchers for the Sheriff's office were approved in the amount of \$1000.00 each and ordered filed.

Pursuant to Chapter 165 of the 1967 Session Laws, the four special Sunday dates when all Malt Beverage and Liquor Licensees may remain open past 8:00 P.M. were approved as follows:

June 25th-Bondurant Barbeque	July 10th-Rendezvous
July 3rd-Big Piney Rodeo	Sept. 4th-Labor Day

After reviewing the current status of the Road and Bridge budget, with Dick Evans, foreman, the Commissioners directed Mr. Evans to schedule future snow plowing operations during regular working hours, whenever possible, and in accordance with the road policy adopted at the December 6, 1977 meeting. This policy gives first priority to emergencies (those involving illness or accident to individuals), second priority to school children routes and third being other roads as time, finances and equipment permit.

Mr. and Mrs. Chuck McCarty, owners of Sublette Communications, were present to discuss the county radio communications system. Mr. McCarty has been providing maintenance for this system for a number of years under a contract with Motorola C & E. He has been unable to gain any information through Motorola concerning new or additional equipment which may be added to this system under a contract awarded to Motorola last month, and has not been contacted regarding rates to be incorporated into a new maintenance contract for this equipment. Therefore he was cancelling the maintenance contract with Motorola, effective at the end of thirty days. He said that he would continue maintenance after that date on a time and materials basis to the county in the event that a new contract had not been negotiated prior to that time.

On motion duly made by Bill Alexander, seconded by Lois Cobb and carried, the following resolution was adopted:
