Maurice Campbell, Dave Dillingham, Pat Nystrom, Bruce Anderson, Lois Koch, Judy Coryell, Barbara Burroughs and Barbara Richie attended the meeting as representatives of Western Wyoming Mental Health Association, the Four county Mental Health Board and the local Mental Health Board. Mr. Campbell presented the mental health budget for the upcoming fiscal year and requested \$8,000.00 from Sublette County which amounts to approximately \$2.00 per capita based on county population. This request will be considered by the Board at their regular budget meeting.

A request for zone variance, submitted by Nick Stadler to construct a house and utilize the basement area as a worm farm, on his property in the Tyler Subdivision was withdrawn by Mr. Stadler following opposition voiced by Dorothy Young and Frank Hankins, also property owners in this subdivision. He will delay construction of the new house until he is able to locate and purchase property zoned commercial or light industrial. In the meantime he will confine his worm farm to a small area in the basement of his present home. Since the area to be used in this manner is less than 20% of the total floor space it is a permitted use.
