

because they felt that the roadbed would probably be improved and widened to such an extent that it would encourage high speed traffic. After being assured that the county does not plan to widen the road, only maintain and repair where needed, they agreed to draw up a 60 ft right-of-way easement including certain restrictions which may or may not be acceptable to the commissioners. John Barlow attended the meeting later in the day and agreed to do the same.

Bob Sievers said that Lois McNeel is willing to sign an easement for the Upper Hoback River Road if the commissioners will agree to let her continue to put drilling mud on the road by her house to keep down the dust. Tanner moved to accept the easement on these terms and the clerk was instructed to write a letter to Mrs. McNeel authorizing the use of the mud at her expense. Seconded by Cobb and carried.

Having been properly advertised and no protests filed by the required time, the Board approved re-newal of the Retail Liquor License issued to Lane Bybee, dba Battle Mtn. Lodge.

Bob Sweedler, of Bob's Oil Co. offered two proposals for repairs at the courthouse and law enforcement center which were accepted on motion by Tanner, second by Cobb and carried.

- one - to repair furnace boiler, install new valves, repair radiators, \$1,678.40
- two - install new plumbing in ramps, fill with antifreeze and pour new concrete \$2,615.00, using county backhoe, dump truck and operators. Rental of jack-hammer or other equipment, if necessary, would be extra.

Steve Brown and Cliff Schultz inquired about winter maintenance of the Upper Hoback River Road since Mr. Schultz will be living there with his school aged children this winter. They were told that the county is in the process of making this a county road and will let them know.

Bid for carpeting a major portion of the courthouse were opened and read aloud. Motion by Tanner to accept the low bid for Pepperell Multispec series, received of Pinedale Furniture in the amount of \$7,200.00, was seconded by Cobb and carried.

Bucky Neely offered to give the county an easement for the purpose of extending C-B Lane, County Road 23-135, to gain wider access to his property in Rendezvous Subdivision. The Commissioners are not in favor of extending the road unless it can go clear through to the road to the rodeo grounds. It was suggested that he try to obtain an access easement across the adjoining lot owned by Dave Dillingham.

Don Tegeler and Ric Samulski attended the meeting to inquire if the Commissioners had reached a decision regarding establishment of a county-wide recreation district. The Commissioners replied that they had decided not to appropriate county funds to support a recreation district at this time.

On motion duly made seconded and carried resolutions were adopted for the establishment of Dell Creek County Road #23-114; Merna North Beaver County Road #23-115; Merna North Beaver County Road #23-115F and Fremont Lake County Road #23-154 as public County Roads.
