

The road petition for the extension of Antelope Trail was discussed and the viewers report reviewed. No action was taken, until further review is completed.

It was moved by Commissioner Crandall and seconded by Commissioner Skinner to grant the Wyoming Highway Department permission to clean up the Daniel yard and remove tanks. The motion carried. John Crow was directed to notify the Highway Department.

The Board requested Janet Montgomery to arrange an appointment with the Teton County Commissioners concerning the renewal of the landfill contract.

Accounts Payable audited and approved for pay:
