

The Board directed that the letter regarding the repermitting of the Marbleton Landfill be forwarded to Frank Grimes of Nelson Engineering.

The Board endorsed Mike McGinnis' appointment to the BLM workshop December 2-6, 1996 in Rock Springs.

It was moved by Commissioner McKinley and seconded by Commissioner Cramer to adopt Resolution No. 96-523W declaring the alteration of the Lander Cutoff County Road No. 23-132 to be a County Road. The motion carried.

Mayor Rose Skinner, Councilperson Barbara Boyce, Leanne McClain, and Fred Wuthrick, representing the Sublette County Citizens for Recycling discussed the proposal for the location of the Recycling Center on property owned by Aiden Mullett. Concerns were expressed about not owning the property and the cost of the building. The Walker Building location is more convenient and has enough space available for another building. Commissioner Wassenberg expressed his desire for a south entrance for the County's use. It was felt that more funding would be available if all of the property was owned, as opposed to leased. It was decided to investigate the possibility of locating the building adjacent to the Walker Building. The Board directed the County Clerk to send a letter of thanks to Aiden Mullett for his offer.

Mark and Renee Jones discussed the location of the house adjacent to the County Road. Options for moving the house and moving the road were discussed. The Board requested estimates for the various options for further discussion.

Jay Lyon presented a petition signed by 75 residents of the Merna area protesting abandoning snowplowing operations on Beaver Ridge. Comments concerning the plowing and condition of the area roads were made by Lyon, Melvin David, and Mark Chapman. The Board assured the group that the County will try to continue to plow the road, if the weather condition, i.e., wind, permits, but that it could become necessary during the course of the winter to abandon the road, if the conditions became unmanageable.

Bill Locke, representing the DEQ, discussed the County's soil treatment agreement and requested an extension of time until July 1, 1997. The Board approved the request. Locke advised the Board that he has completed the application for the Pinedale Transfer Station and the public notice needs to be made by the County.

The Board gave temporary approval for a "call out" policy for the Road and Bridge Department allowing time and one-half for being called out for snowplowing operations.

The Board approved and signed a contract with Wyoming Royalties, Inc.

The Board approved and signed the change order for the removal of willows on the Daniel-Merna project.

The Board approved a request from Jim Malkowski to attend the Wyoming School Board Association meetings in Casper on November 20-23, 1996.

It was moved by Commissioner McKinley and seconded by Commissioner Cramer to approve the issuance of a catering permit to the Silver Spur for the Cowbelles Ball at the Fairgrounds on November 2, 1996, and to the World Famous Corral Bar for the Black Ties and Blues, at the Boulder Community Center on November 16, 1996. The motion carried.

At the request of Sublette County Mosquito Abatement District #1, it was moved by Commissioner McKinley and seconded by Commissioner Cramer to approve the request for a conventional election to be held on December 16, 1996, in accordance with W.S. 18-12-112(d), and appoint Ed Wood, Bethany Bonis, and Mary Lankford to canvass the election. The motion carried.

A change order was presented for doors for the Pinedale Ambulance Barn addition in the amount of \$915.07. The Board took no action.

Bob Reese, District Ranger, reported on a 15% reduction and reorganization within the district, with a 12% reduction in administrative staff in the Jackson office. Reese reported on the travel plan and its implementation and the Fayette Fire.

Mark Mrak and Rick Reese of Kellerstraus discussed their fuel operations in Wyoming and the area.

The following petitions and affidavit of taxes were presented on petition from the County Assessor and the State Board of Equalization: Enron Oil & Gas Company, \$176.43; Enron Oil & Gas Company, \$15,535.90; Chevron USA, Inc., \$6,818.87; CommNet Cellular, Inc., \$686.08; Cellular Inc.
