

road. Ed Wood advised the Board to request a petition for the establishment of a county road, and hold a hearing on the petition. The Board directed Dew to make a formal proposal at the next meeting on April 19th at 10 a.m. Mark Noble stated that the key cost will be the Army Corps of Engineers requirements.

Bob Dew, representing the Rural Health Care District, informed the Board that the District is discussing the need for more space in the Pinedale Clinic, and suggest that the Public Health Nurse and Sanitarian be moved to the old Library. Dew was advised that the Board is not considering moving the Public Health Nurse and Sanitarian to the old Library and is working with a consultant to address its space needs.

The Board reviewed and signed a letter of support prepared by Commissioner Johnston to the Wyoming Chapter of the Foundation for North American Wild Sheep.

Ann Noble and Clint Gilchrist reviewed the activities of the Sublette County Historic Preservation Board and reported that the Board has received its second year of funding. Noble reported on the future CCC Camp project and the Rendezvous Site National Landmark.
