W. Craig, J. F. Neve, W. R. Pollack, T. A. Bauer, W. T. McGee, W. W. Davis, Gertrude Schneider, the original locators of Walla Walla #15 Oil and gas Placer Mining Claim, the same being the South West quarter of Section 26 township 29 north, range 112 west, of the Sixth Principal Meridian, in Lincoln County, State of Wyoming, they did on the 20th day of Dec. D. 1918 complete a well on said oil placer mining claim, bored into the ground and did discover showings of oil colors in said well; that oil colors were discovered in said well within the surveyed boundaries of said oil claim and in sufficient quantities to justify a man of ordinary prudence in the expenditure of further time and money in the reasonable expectation of ultimately finding oil and gas, or either, on said oil claim in large and commercial quantities.
