LOCATION NOTICE -- LODE

KNOW ALL MEN BY THESE PRESENTS: That

Edmund George Smith

citizen 5 of the United States, over the age of twenty-one years and residing in the County of Sublette and State of Wyoming, having discovered a vein or lode of quartz, or rock in place, bearing molibdenum within the claim hereby located, claim by right of discovery and location, under and in accordance with the Revised Statutes of the United States Chapter 2, Title 30, and amendments thereto, and the laws of the State of Wyoming 1500 feet linear and horizontal measurement along the vein or lode thereof, with all its dips, variations and angles, together with 300 feet in width on each side of the center of the discovery shaft, or discovery workings; and all veins, lodes, ledges, deposits and surface grounds within the lines of said claims and within the operation and affect of said U. S. Revised Statutes and Wyoming Statutes. Said claim is situated in Unorganized Mining District, County of Sublette and State of Wyoming, and is bounded and more particularly described as follows, to-wit:

about 380 feet northwesterly from Schuster Peak

and that a discovery shaft has been sunk or holes drilled thereon, and that the point of discovery and the surface boundaries have been marked in accordance with the laws of the State of Wyoming relating thereto; the work on the claim was done by

Morris Smith on the June 28 1956; the nature of the work is tunnel sight; the location of the work within the claim is on the discovery vent; and the nature of the mineral discovered is molibdenum; the work was done and this affidavit filed to obtain the benefits of the Wyoming law relating thereto.

The claim will be known by the name of Temple Creek No. 17

And we intend to hold and work said claim by the local customs and rules of miners and of said Mining District and the Mining Statutes of the United States and the State of Wyoming.
