C. A. Finch George S. Smith
 citizen of the United States, over the age of twenty-one years and residing in
 the County of Salt Lake Sweetwater and State of Utah Wyoming, having
 discovered a vein or lode of quartz, or rock in place, bearing Molybdenum and all precious
 metals within the claim hereby located, claim by right of discovery and location, under and in
 accordance with the Revised Statutes of the United States Chapter 2, Title 30, and amendments thereto, and the laws of the State of Wyoming 1500 feet
 linear and horizontal measurement along the vein or lode thereof, with all its dips,
 variations and angles, together with 300 feet in width on each side of
 the center of the discovery shaft, or discovery workings; and all veins, lodes,
 ledges, deposits and surface grounds within the lines of said claims and within the
 operation and affect of said U. S. Revised Statutes and Wyoming Statutes. Said claim
 is situated in Sublette Mining District, County of Sublette
 and State of Wyoming, and is bounded and more particularly described as follows,
 to-wit:

and that a discovery shaft has been sunk or holes
 drilled thereon, and that the point of discovery and the surface boundaries have
 been marked in accordance with the laws of the State of Wyoming relating thereto;
 the work on the claim was done by

Bryd Figgins on the 13 July 1956, the nature of the
 work is Tunneling; the location of the work within the claim is near
about the discovery monument; and the nature of the mineral discovered
 is Molybdenum; the work was done and this affidavit filed to obtain
 the benefits of the Wyoming law relating thereto.

The claim will be known by the name of Rapid Lode

And we intend to hold and work said claim by the local customs and rules
 of miners and of said Mining District and the Mining Statutes of the United States
 and the State of Wyoming.
