 No. 1899

No. 1 Location Notice B. E. Wilcox & L. G. Christie.

Notice of Location of a Quartz Claim. Notice is hereby given to all whom it may concern That, I, B. E. Wilcox and L. G. Christie and -----citizens of the United States, over the age of twenty-one years, having discovered a vein or lode of quartz, or rock in place, bearing (gold) within the limits of the claim hereby located, have this day, under and in accordance of the Revised Statutes of the United States, chap. VI. tit. 32, located 1500 linear feet of this vein or lode, with surface ground six hundred feet in width, situated in -----County of Uinta, State of Wyoming. and known as the Blackstone Quartz Mining Claim, and extending 1500 ft. in length, and three hundred feet on each side of the vein from this notice at the discovery of project shaft, the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monuments, and more particularly described as follows, to wit: This claim shall commence at this monument and shall run northerly 1500 ft. to the north center monument, thence east 300 feet to the north east corner thence southerly 1500 feet to the south east corner, thence west 600 feet to the south west corner thence northerly 1500 ft. to the north west corner thence east 900 feet to the north center monument. This claim is situated on the high mountain range between Grays river and Green River Southeast of what is known as Lake Bishop on the middle Piney Uinta Co. State of Wyoming. And we intend to hold and work said claim as provided by the local customs and rules of miners, and the mining statutes of the United States and of this State.
