LOCATION CERTIFICATE AND AFFIDAVIT

STATE OF Wyoming)
)ss.
COUNTY OF Fremont)

H. Jean Baker, agent for Rocky Mountain Energy Company, of lawful age, being first sworn, gives notice that he claims the land described below as a lode mining claim pursuant to the laws of the United States of America and the State of Wyoming, and in making such claim and establishing his rights, upon his oath, states and certifies as follows:

1. That he is a citizen of the United States of America by birth.

2. That on the 12th day of September, 1975, the date of location, he discovered a lode, ledge, vein or deposit of valuable minerals, consisting of Uranium, and other valuable minerals, within the limits of this claim.

3. The name of the claim is Little Bear 90.

4. The locator of this claim is the undersigned.

5. The extent of this claim is as follows: From the point at which a copy of this certificate is posted (the point of discovery and the discovery hole) thence 10 feet West and 1310 feet East and in width 300 feet North and 300 feet South, comprising in all 1320 feet in length and 600 feet in width.

6. The exterior boundaries of this claim are marked by six monuments (one at each corner and one at the center of each side line) as follows:

Beginning at Corner No. 1, the NW claim corner, which bears 1200 feet South, and 6600 feet West from the NE Corner of Section 33, T 30 N, R 104 W of the 6th P.M.
Thence East 1320 Feet to Corner No. 2 (NE)
Thence South 600 Feet to Corner No. 3 (SE)
Thence West 1320 Feet to Corner No. 4 (SW)
Thence North 600 Feet to Corner No. 1 the place of beginning.

LOCATION: This claim is located in the NE¼ of Section 32, Township 30 North, Range 104 West, 6th P.M., Sublette County, Wyoming.

7. Discovery work has been performed on this claim as follows:

NATURE OF WORK	DATE	BY WHOM PERFORMED	MINERAL DISCOVERED
Drilling	11-1-75	MRD, Inc.	Uranium

	NUMBER OF HOLES		DEPTH		LOCATION WITHIN CLAIM
LB 1.	2	inches diam.	10	feet	5 feet from Discovery Monument
LB 2.	2	inches diam.	10	feet	5 feet from Discovery Monument
LB 3.	2	inches diam.	10	feet	5 feet from Discovery Monument
LB 4.	2	inches diam.	10	feet	5 feet from Discovery Monument
LB 5.	2	inches diam.	10	feet	5 feet from Discovery Monument

8. Drill Hole No. LB-90 is the discovery hole; it was marked by a permanent marker placed at and adjacent to that hole and within five feet thereof, firmly fixed in the ground, and extending at least thirty inches in height above the ground; on it was placed a notice stating the name of this claim, the owner thereof, the depth of the hole, the date of the drilling thereof, and other pertinent information.

Sworn to, dated and signed this 3rd day of November, 1975.

PROOF OF LABOR

Before me, the subscriber, personally appeared W. J. Murphy, who, being duly sworn, says that assessment work on the following named unpatented lode mining claims has been done for the current year or has been started in part or is now in the process of being done and is projected to continue until such time as may be required to complete such work. Such assessment work has been or is being or will be performed at many places on the mineral claims hereinafter named. This assessment work consists of many types and kinds of work or activities or expenditures, among which may be any of the following: Travel to, from and on the claims by any employees, contract workers or geologists or other personnel; radiometric surveys; radiometric map preparation; surface surveys; surface mapping; drilling operations, geologic examination of drill hole cuttings; geological, geophysical, or other examination or surveying of surface formations; correlating surface or underground formations by geological comparison or otherwise; water sampling and analytical work on water sampling; payment of wages by money or other things of value to contract workers or other workers; photographic work - black and white - colored - infra-red, or any other type of film on outcrops, drill hole cuttings, surface exposures, terrain features, geological requirements, and other desirable photography; resetting or replacing of posts, or any other markers of any kind; geological, geophysical, or drill hole, or any other types of reports; rental or repair of equipment, and other kindred expenditures; road construction, road repair; expenditures for supplies and equipment and/or related repairs; and any and all other means that may have been or will be applied to such assessment work. The claims to which the foregoing pertains are located in Sublette County, Wyoming , and are described as follows:

Sheep-head #1 & 2, located in Sec. 15-16, T30N, R103W.

COUNTY OF SUBLETTE

William G. King being first duly sworn, states and says:

1. That in making this Affidavit he is acting for

Federal-American Partners

2. That this Affidavit is made for the purpose of showing and making of record the performance of annual assessment or representation work as required by law between the 1st day of Sept., 1975 and the 31st day of Aug., 1976 on the following claims:

NAME OF CLAIM	Section	Township	Range	County	State
Q Group 3-19	18,17	28N.	103W.	Sublette	Wyoming
Q Group #2	18	28N.	103W.	Sublette	Wyoming
	13	28N.	104W.	Sublette	Wyoming
Q Group #1	13	28N.	104W.	Sublette	Wyoming

3. The above named claims are contiguous and the ownership thereof is common, they being owned by the person or organization above set forth as owner.

4. The nature of the work performed is as follows, the same being a statement of a complete of the entire work done and not in summary but a complete account of all work:

Development and exploration drilling, etc. in excess of $100.00 per claim.

5. All of the above work has increased the value of the said claims and is necessary or desirable in order that the owner may fully and beneficially hold the mineral rights therein, and further the said lands in the vicinity of said claims.

6. The Federal-American Partners have been an interested party.

AFFIDAVIT OF ASSESSMENT WORK

STATE OF WYOMING)
) SS
COUNTY OF SUBLETTE)

PHILLIP E. FLANAGAN, being first duly sworn on his oath, deposes and states:

1. That as a person cognizant of the facts, he makes this affidavit for and on behalf of GENERAL NUCLEAR, a Wyoming corporation, qualified to do business in the State of Wyoming.

2. That, acting for GENERAL NUCLEAR, a Wyoming corporation, this affiant states that annual labor and the making of improvements were performed upon the unpatented lode mining claims hereinafter described in the required amount to comply with the provisions of applicable laws relating to the performance of assessment work for the assessment year ending September 1, 1976.

3. The unpatented lode mining claims upon which the work was performed are a group of contiguous lode mining claims and are located in Sublette County, Wyoming, and are more particularly described in Exhibit "A" attached hereto and made a part hereof.

4. That, GENERAL NUCLEAR, a Wyoming corporation, is in possession of said claims and such work was performed by GENERAL NUCLEAR as the owner of said claims and for the purpose of holding possession of said claims.

5. That the value of the work or improvements upon said claims during said period is at least $100.00 per claim and accrues to the improvement of said claims.

Phillip E. Flanagan

AFFIDAVIT OF ASSESSMENT WORK

STATE OF WYOMING)
) SS
COUNTY OF SUBLETTE)

PHILLIP E. FLANAGAN, being first duly sworn on his oath, deposes and states:

1. That as a person cognizant of the facts, he makes this affidavit for and on behalf of GENERAL NUCLEAR, a Wyoming corporation, qualified to do business in the State of Wyoming.

2. That, acting for GENERAL NUCLEAR, a Wyoming corporation, this affiant states that annual labor and the making of improvements were performed upon the unpatented lode mining claims hereinafter described in the required amount to comply with the provisions of applicable laws relating to the performance of assessment work for the assessment year ending September 1, 1976.

3. The unpatented lode mining claims upon which the work was performed are a group of contiguous lode mining claims and are located in Sublette County, Wyoming, and are more particularly described in Exhibit "A" attached hereto and made a part hereof.

4. That, GENERAL NUCLEAR, a Wyoming corporation, is in possession of said claims and such work was performed by GENERAL NUCLEAR as the owner of said claims and for the purpose of holding possession of said claims.

5. That the value of the work or improvements upon said claims during said period is at least $100.00 per claim and accrues to the improvement of said claims.

Phillip E. Flanagan

STATE OF WYOMING)
) SS
COUNTY OF FREMONT)

The foregoing instrument was acknowledged before me this 31st day of August, 1976, by PHILLIP E. FLANAGAN.

Witness my hand and official seal.

TERI-ANNE MOORE - Notary Public
County of Fremont State of Wyoming
My Commission expires November 27, 1976

AFFIDAVIT OF ASSESSMENT WORK

STATE OF WYOMING)
) SS
COUNTY OF SUBLETTE)

PHILLIP E. FLANAGAN, being first duly sworn on his oath, deposes and states:

1. That as a person cognizant of the facts, he makes this affidavit for and on behalf of GENERAL NUCLEAR, a Wyoming corporation, qualified to do business in the State of Wyoming.

2. That, acting for GENERAL NUCLEAR, a Wyoming corporation, this affiant states that annual labor and the making of improvements were performed upon the unpatented lode mining claims hereinafter described in the required amount to comply with the provisions of applicable laws relating to the performance of assessment work for the assessment year ending September 1, 1976.

3. The unpatented lode mining claims upon which the work was performed are a group of contiguous lode mining claims and are located in Sublette County, Wyoming, and are more particularly described in Exhibit "A" attached hereto and made a part hereof.

4. That, GENERAL NUCLEAR, a Wyoming corporation, is in possession of said claims and such work was performed by GENERAL NUCLEAR as the owner of said claims and for the purpose of holding possession of said claims.

5. That the value of the work or improvements upon said claims during said period is at least $100.00 per claim and accrues to the improvement of said claims.

Phillip E. Flanagan

STATE OF WYOMING)
) SS
COUNTY OF FREMONT)

The foregoing instrument was acknowledged before me this 31st day of August, 1976, by PHILLIP E. FLANAGAN.

Witness my hand and official seal.

AFFIDAVIT OF ASSESSMENT WORK

STATE OF WYOMING)
) SS
COUNTY OF SUBLETTE)

PHILLIP E. FLANAGAN, being first duly sworn on his oath, deposes and states:

1. That as a person cognizant of the facts, he makes this affidavit for and on behalf of GENERAL NUCLEAR, a Wyoming corporation, qualified to do business in the State of Wyoming.

2. That, acting for GENERAL NUCLEAR, a Wyoming corporation, this affiant states that annual labor and the making of improvements were performed upon the unpatented lode mining claims hereinafter described in the required amount to comply with the provisions of applicable laws relating to the performance of assessment work for the assessment year ending September 1, 1976.

3. The unpatented lode mining claims upon which the work was performed are a group of contiguous lode mining claims and are located in Sublette County, Wyoming, and are more particularly described in Exhibit "A" attached hereto and made a part hereof.

4. That, GENERAL NUCLEAR, a Wyoming corporation, is in possession of said claims and such work was performed by GENERAL NUCLEAR as the owner of said claims and for the purpose of holding possession of said claims.

5. That the value of the work or improvements upon said claims during said period is at least $100.00 per claim and accrues to the improvement of said claims.

Phillip E. Flanagan

STATE OF WYOMING)
) SS
COUNTY OF FREMONT)

The foregoing instrument was acknowledged before me this 31st day of August, 1976, by PHILLIP E. FLANAGAN.

Witness my hand and official seal.

PROOF OF ANNUAL LABOR—WYOMING FORM 1140—REVISED 9-62

6 ut tme a

SUBLETTE

William G. King being first duly sworn, states and says:

1. That in making this Affidavit he is acting for

Federal-American Partners

2. That this Affidavit is made for the purpose of showing and making of record the performance of annual assessment or representative work as required by law between the 1st day of Sept., 1975 and the 31st day of Aug., 1976, on the following claims:

NAME OF CLAIM	LOCATION Section	Township	Range	County	State
D Group 19-72	19,20,21,28, 29,30,32,33	28N.	102W.	Fremont	Wyoming
D Group 17-18	19,30	28N.	102W.	Fremont &	
	24,25	28N.	103W.	Sublette	Wyoming
D Group 1-16	24,25	28N.	103W.	Sublette	Wyoming

3. The above named claims are contiguous and the ownership there is common, they being owned by the person or organization above set forth as owner.

4. The nature of the work performed is as follows, the same being a statement of a portion of the entire work done and not intended as a complete account of all work:

Development and exploration drilling, etc. in excess of $100.00 per claim.

5. All of the above work increased the value of the said claims and develops property which clearly tends to develop the mineral resources and the mineral exploration thereof, and facilitates and leads to the extraction of minerals therefrom.

6. The Federal-American Partners has no corporate seal.

LODE MINING CLAIM LOCATION CERTIFICATE

KNOW ALL MEN BY THESE PRESENTS: That Richard D. Inberg

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 1

The DATE of LOCATION of this Claim is 15 day of August, 1976

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 1490 feet from the North end and 10 feet from the South end of this Claim.

This Claim is located in Section 2, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear North 9000 Feet and West 10,200 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 20, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

Location Within 5 Feet of the Discovery Monument

STATE OF WYOMING)
COUNTY OF FREMONT) ss

The foregoing instrument was acknowledged before me by Richard D. Inberg, Inberg Surveying Company, Inc., this 24th day of August, 1976.

Witness my hand and official seal.

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 46

The DATE of LOCATION of this Claim is 15 day of August, 1976

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 10 feet from the North end and 1490 feet from the South end of this Claim.

This Claim is located in Section 11, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear North 4500 Feet and West 7800 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 20, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

Location Within 5 Feet of the Discovery Monument

STATE OF WYOMING)

KNOW ALL MEN BY THESE PRESENTS: That Richard D. Inberg

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 74

The DATE of LOCATION of this Claim is 14 day of August, 1976

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 10 feet from the North end and 1490 feet from the South end of this Claim.

This Claim is located in Section 11, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear North 1500 Feet and West 10,200 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 19, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

Location Within 5 Feet of the Discovery Monument

STATE OF WYOMING)
COUNTY OF FREMONT) ss

The foregoing instrument was acknowledged before me by Richard D. Inberg, Inberg Surveying Company, Inc., this 24th day of August, 1976.

Witness my hand and official seal.

LODE MINING CLAIM LOCATION CERTIFICATE

KNOW ALL MEN BY THESE PRESENTS: That Richard D. Inberg

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 93

The DATE of LOCATION of this Claim is 13 day of August, 1976

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 1490 feet from the North end and 10 feet from the South end of this Claim.

This Claim is located in Section 12, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear North 3000 Feet and West 4200 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 20, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

LODE MINING CLAIM LOCATION CERTIFICATE

KNOW ALL MEN BY THESE PRESENTS: That Richard D. Inberg

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 102

The DATE of LOCATION of this Claim is 13 day of August, 19 76

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 10 feet from the North end and 1490 feet from the South end of this Claim.

This Claim is located in Section 12, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear North 1500 Feet and West 1800 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 20, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

Location Within 5 Feet of the Discovery Monument

STATE OF WYOMING)
COUNTY OF FREMONT) ss

The foregoing instrument was acknowledged before me by Richard D. Inberg, Inberg Surveying Company, Inc., this 24th day of August, 1976.

Witness my hand and official seal.

LODE MINING CLAIM LOCATION CERTIFICATE

KNOW ALL MEN BY THESE PRESENTS: That Richard D. Inberg

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 148

The DATE of LOCATION of this Claim is 14 day of August, 1976

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 10 feet from the North end and 1490 feet from the South end of this Claim.

This Claim is located in Section 13, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear South 1500 Feet and West 4200 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 19, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

Location Within 5 Feet of the Discovery Monument

STATE OF WYOMING)
COUNTY OF FREMONT) ss

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 157

The DATE of LOCATION of this Claim is 11 day of August, 19 76

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 1490 feet from the North end and 10 feet from the South end of this Claim.

This Claim is located in Section 13, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear South 0 Feet and West 1200 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 18, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

LODE MINING CLAIM LOCATION CERTIFICATE

KNOW ALL MEN BY THESE PRESENTS: That Richard D. Inberg

having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum and other valuable minerals, under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface (600 feet width total); together with all the dips, spurs, angles and variations; also all water rights incident and appurtenant.

The NAME of this Claim is PC 261

The DATE of LOCATION of this Claim is 12 day of August, 19 76

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 1490 feet from the North end and 10 feet from the South end of this Claim.

This Claim is located in Section 13, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear South 3000 Feet and West 3600 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 19, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

Location Within 5 Feet of the Discovery Monument

STATE OF WYOMING)
COUNTY OF FREMONT) ss

The foregoing instrument was acknowledged before me by Richard D. Inberg, Inberg Surveying Company, Inc., this 25th day of August, 1976.

Witness my hand and official seal.

The NAME of this Claim is PC 270

The DATE of LOCATION of this Claim is 12 day of August, 19 76

Said claim is situated in Sublette County, State of Wyoming, and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence, 1500 feet in a southerly direction to the southeast Corner,

Thence, 600 feet in a westerly direction to the southwest corner,

Thence, 1500 feet in a northerly direction to the northwest corner,

Thence, 600 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 10 feet from the North end and 1490 feet from the South end of this Claim.

This Claim is located in Section 13, Township 27 North, Range 103 West, 6th P.M. Sublette County, Wyoming.

To TIE this Claim to the Public Survey, begin at the Northeast corner, Section 13, Township 27 North, Range 103 West, bear South 4500 Feet and West 1200 Feet

to the Northeast corner of this Claim.

The DISCOVERY WORK as required by law has been performed on this Claim, as follows:

Nature of Work Drilling

Date AUGUST 17, 1976

By Whom Performed DEAN CURETON

Mineral Discovered Uranium and others

Number of Holes 5

Name Discovery

Depth Each in excess of 10 Feet - In excess of 50 Feet total

Location Within 5 Feet of the Discovery Monument

STATE OF WYOMING)
COUNTY OF FREMONT) SS

The foregoing instrument was acknowledged before me by Richard D. Inberg, Inberg Surveying Company, Inc., this 25th day of August, 1976.

BEFORE ME, personally appeared Marcel A. McCartney
(Please print name in full)

who, being duly sworn, says: My current mailing address is 2530 Alona St. Santa Ana, Calif. 92706
(Number, Street, City, State, Zip Code Number)

_____, my current residence is Same
(Number, Street, City, State, Zip Code Number)

_____. Certain labor and/or improvements required by law were performed or made on or for the benefit of the following mining claim(s), (which together comprise a group of contiguous claims) located in SUBLETTE County, ~~California~~ Wyoming, in the mining assessment work year ending on September 1, 1976, as follows:

Name of Claim (in full) situated in:	Section	Township	Range	Meridian	Original Location Book	Original Location Page	Last Amendment Book	Last Amendment Page
ASPEN SE 1/4	18	33N	107W	6	24 Lo Notice	505		

The work performed and/or improvements made consisted of the following (state value of each item and the dates on which, or periods of time within which, the same was performed or made):

AUG. 21, 1976: 7 HOURS SPENT CHECKING STAKES, SEARCHING WITH MINERAL DETECTORS AND GEIGER COUNTER, AND DIGGING SAMPLES.

The total fair and reasonable value thereof was $ 210.00, and the amount and value thereof on or for the benefit of each claim was $100 or more. The name and address of the person who performed the labor or made the improvements, as known to me, are:

MARCEL A. McCARTNEY 2530 ALONA ST. SANTA ANA, CAL.

The owners of the mining claims are:

Name	Current Mailing Address	Current Residence Address
MARCEL A. McCARTNEY	2530 ALONA ST. SANTA ANA, CALIF.	SAME
FREDERICK D. McCARTNEY	#36 18TH ST. HERMOSA BEACH, CALIF.	
DAWN N. SPILLERS	14461 RED HILL AV. TUSTIN, CALIF.	
STAR A. CURTIS	18014 WELLHAVEN, CANYON COUNTRY, CALIF.	
RICK CURTIS	18014 WELLHAVEN, CANYON COUNTRY, CALIF.	
DONALD SPILLERS	23952 VIA NAVARRO, MISSION VIEJO, CAL.	
ALAN McCARTNEY	7049 LARAMIE AVE, CANOGA PARK, CAL.	
BRIAN McCARTNEY	7049 LARAMIE AVE, CANOGA PARK, CAL.	SAME

All monuments required by law have been erected, and all notices required by law have been posted on each claim, or copies of such notices were in place on the claim on AUG. 21, 1976. Also on that date, each required corner monument bore or contained marking sufficient to designate the corner of the claim to which it pertained and the name of the claim.

The above listed claim(s) is/are held and claimed by the owner(s) or the undersigned (if he is entitled to possession thereof) for the valuable mineral contained therein.

CERTIFICATE

This is to certify that the attached instrument, executed by H. F. Gready as Senior Supervisor, Landowner Relations, (Unoperated Acreage), was duly authorized by Exxon Corporation, and that the execution and delivery of such instrument are the acts of Exxon Corporation.

Executed this 12th day of October 1976.

EXXON CORPORATION

By R. J. Cruellus
Assistant Secretary

LODE MINING CLAIM LOCATION CERTIFICATE

KNOW ALL MEN BY THESE PRESENTS: That William N. Barbat, Box 24, Teton Village, Wyoming, 83025 having discovered this mineral lode, vein or deposit with the claim hereby located, claim by right of discovery and location all Uranium, Thorium, and other fissionable materials, plus Vanadium, Selenium, Molybdenum, and other valuable minerals under and in accordance with the provisions of the Act of Congress of May 10, 1872, and the laws of the State of Wyoming for mining purposes, fifteen hundred (1500) feet in length along or on this mineral lode, vein or deposit with a width of three hundred (300) feet on each side of the middle of the lode, vein or deposit at the surface(six hundred feet width total) together with all the dips, spurs, angles, and variations; also all water rights incident and appurtenant.

NAME OF CLAIM URSA 1 DATE OF LOCATION OF CLAIM OCT. 13 1976

Said claim is situated in SUBLETTE County, State of Wyoming and is bounded and more particularly described as follows, to wit:

Beginning at the northeast corner,

Thence 600 feet in a southerly direction to the southeast corner,

Thence 1500 feet in a westerly direction to the southwest corner,

Thence 600 feet in a northerly direction to the northwest corner,

Thence 1500 feet in an easterly direction to the northeast corner, the point of beginning.

The discovery monument lies midway between the two sides and is 10 feet from the West end and 1490 feet from the East end of this claim.

This claim is located in NE¼ Section 8 Township 29 North, Range 108 West, 6th p.m., Sublette County, Wyoming.

To TIE this claim to the Public Survey, begin at the NW corner, Section 7. Township 29 North, Range 108West, bear 9000' East & 0' South to the northeast corner of this claim.

The DISCOVERY WORK as required by law has been performed on this claim as follows:

NATURE OF WORK: Drill Holes DATE PERFORMED: OCT. 13 1976

BY WHOM PERFORMED: William N. Barbat, Box 24, Teton Village, Wyoming 83025

MINERAL DISCOVERED: Uranium NUMBER OF HOLES: 1 to 5 NAME: URSA 1

DEPTH: In excess of 50 feet total, none less than 10ft. LOCATION: Within 5ft. of D.H

William N. Barbat

LOCATOR: William N. Barbat

Subscribed and sworn to before me by William N. Barbat this 26th day of October, 1976.
