THIS AGREEMENT made and entered into this 4th day of January, 1924, by and between Fred J. Hischier of Coalville, Utah, hereinafter called the "owner", the party of the first part, and the Utah Oil Refining Company, a Utah corporation, hereinafter called the "contractor", the party of the second part, WITNESSETH:

THAT WHEREAS, on or about the 17th day of June, 1922, pursuant to an application therefor, there was issued to the owner under Section 13 of the Act of February 25, 1920 (41 Stat. 437), a permit, Serial No. Evanston 07555, granting to him the exclusive right, for a period of two years from the date thereof, to prospect for oil and gas the following described lands, located in the so-called La Barge Field, Sublette County, Wyoming, to-wit:

All of Section 4, 3, 10 and 9, Township 27 North, Range 113 West 6th P. M.

WHEREAS, the parties hereto believe the lands described in said permit contain valuable deposits of oil and gas; and,

WHEREAS, the owner desires to contract for the exploitation, development and operation of a part of said lands, and the production of the oil and gas therein, in full compliance with said Act of Congress and the regulations thereunder; and,

WHEREAS, the Contractor is able efficiently and economically to prospect for oil and gas on said premises, and to exploit, develop, produce and handle any oil or gas that may be found in commercial quantities therein, and to furnish the necessary working capital for the purposes aforesaid, and is desirous of obtaining the exclusive right to enter upon the lands described in said application and to prospect thereon and to develop, produce, market and handle any oil or gas found therein;

NOW, THEREFORE, in consideration of the premises, the full and faithful performance by the contractor of its covenant hereinafter set forth, and the payment to the owner by the contractor of the sum of one dollar (\$1.00), receipt whereof is hereby confessed and acknowledged, the owner covenant and agrees with the contractor as follows;

ARTICLE I

Section 1. That the Contractor shall have and is hereby given exclusive right of possession and occupation of all of Section 4 and 9 under said permit and all leases or extensions or renewals of said permit or leases covering said above described Sections 4 and 9 that may hereafter be granted by the United States to said owner, for the purpose of prospecting or drilling for, developing, producing and marketing all oil and / or gas therefrom; subject, however, to the right of the owner to enter upon said premises at any and all reasonable times for the purpose of inspecting the same and the operations of the contractor thereon.

Section 2. That under and pursuant to the provisions of the Act of Congress, granting to the Secretary of the Interior authority to extend the time within which to begin drilling operations or to complete the same, the owner shall, if and when requested so to do by the contractor, apply to the Secretary of the Interior for a maximum period of time from and after the date of the granting of such extension within which to comply with the requirements of said permit, as so extended; such application for extension to be prepared by the contractor, and after execution by the owner, to be by the contractor submitted to the Secretary of the Interior.
