IN THE DISTRICT COURT
THIRD JUDICIAL DISTRICT

In the Matter of the Apportionment of
the Assets and Liabilities existing
between the Counties of Fremont and
Sublette, in the State of Wyoming.

JUDGMENT.

This cause having come on regularly to be heard on July 10th 1926, and the County Commissioners of Fremont County, Wyoming, having filed their report, and the County Commissioners of Sublette County, in said State, having filed herein on July 8th, 1926, their approval of said report, and praying that said report be confirmed by the Court, and that an order be made settling and apportioning the assets and liabilities between said counties of Sublette and Lincoln in accordance with the said report, and it appearing to the Court that the Boards of County Commissioners of the two counties had agreed on the determination of the assets and liabilities of Fremont County at the time of the organization and establishment of Sublette County, said date being that of January 2, 1923, said County of Sublette being partly comprised of territory taken from the said County of Fremont; and it appearing from the findings of said boards of county commissioners and the evidence submitted to the Court that the assets of said Fremont County on January 2, 1923, approximated \$210,186.35, and that the liabilities of said County at the time of the division amounted to less than the said assets which liabilities are hereby approximated at \$210,186.35; and now being fully advised in the premises and having fully considered all the pleadings and files of the case together with the law and the evidence, finds:

That the assets of Fremont County, Wyoming, at the time of the completion of the organization of Sublette County and of the establishment thereof partly out of the territory of Fremont County, on January 2nd, 1923, was equal to the amount of the liability of said Fremont County; that under the law in such cases made and provided, the said Fremont County, Wyoming, as left after detaching the territory taken from it by the new County of Sublette, is entitled to all the public property of said parent county, now within the jurisdiction of said Fremont County, and that in like manner the said newly organized County of Sublette is entitled to all of the property of said parent county now found within its newly established boundaries; that the said County of Fremont as now
