THIS INDENTURE WITNESSETH:

That the undersigned, Dorothy M. Fearn and Myrta Bonnett are the holders of Oil and Gas Prospecting Permit issued upon Serial No. 09589 in the United States Land Office at Evanston, Wyoming, covering among other lands the land described as follows, viz:

The Southeast quarter of the Northwest quarter (SE $\frac{1}{4}$ of NW $\frac{1}{4}$) of Section 26,

Township 27 North, Range 113 West, of the 6th P. M., area 40 acres;

That for a valuable consideration, receipt of which is hereby acknowledged, the said permittees hereby sell, assign and transfer to B. E. Taylor all their right, title and interest under said permit, and all leases issued in pursuance thereof in and to the above described portion of land covered by said permit, subject, however, to and reserving to themselves a royalty of seven and one-half percent (7 $\frac{1}{2}$) of all oil and gas produced on the part of said land on which the royalty to be paid to the United States Government is five percent (5%), and a royalty of two and one-half percent (2 $\frac{1}{2}$) of all oil and gas produced on the part of said land on which a royalty of more than five percent (5%) is paid to the United States Government.

It is agreed that when application is made for a lease from the United States Government that at least forty (40) acres of the above described land shall be included in the part of said lease on which the royalty is not over five percent (5%) to the United States Government.

It is understood that the royalty reserved in said permits is in addition to the royalty to be paid to the United States Government which shall be paid by said assignee on behalf of the permittee.

This assignment is made on the further condition that the said assignee, his representatives or assigns, shall comply with all the requirements of said permit and all leases issued pursuant thereto insofar as the same apply to the land above described, and further on the condition that said assignee and his representatives or assigns shall protect the said land from undue drainage through the drilling of a sufficient number of offset wells, and of a sufficient number of wells on said acreage within a time sufficient to accomplish the said purpose.

Dated this 3d day of November, 1926.
