

That I am familiar with the lands involved in a certain Agreement of Option, dated August 7th, 1928 and recorded in Book 2 of Miscellaneous Records, Sublette County, Wyoming, on Page 265, further described as

NW $\frac{1}{4}$ of Sec. 28 - Twp. 27 - N., R 114, W. and other lands.

Also with a certain drilling contract in which James M. Lehman is the Grantee, dated June 30, 1928 and recorded in Book 2 of Miscellaneous Records, Sublette County, Wyoming, on Page 267 as effects

W $\frac{1}{4}$ Sec. 28, Twp. 27, N. R 114, W. and other lands

and I know of my own knowledge, full and well, that the said Option and Drilling contract were never fulfilled and that the expiration for the term of agreement has long since expired and therefore are null and void. Further that the drilling contract and also the agreement of Option gave to the Grantee only the right to enter thereon and operate for gas or oil and under the State Statute in no wise conferred any kind of title to these lands.

WE, E. D. Key AND E. A. Richardson of Daniel, Wyoming being first duly sworn on oath depose and say that we are well and truly acquainted with the lands of Cyrus H. Kelly as set forth in a certain mortgage deed given to the Federal Land Bank of Omaha and the Land Bank Commissioner and that we know of our own knowledge that there are no mineral developments on the security offered such as would effect the value of the land for agricultural purposes.

That we have been residents of the section for the past twenty years.

That the lands involved in the above placer locations are

NE $\frac{1}{4}$, SW $\frac{1}{4}$, SE $\frac{1}{4}$, of Sec. 23; and NW $\frac{1}{4}$, Sec. 26, Twp. 37 N. R. 111 W.
