

against public policy, and shall remain and be in full force and effect as to all provisions not so eliminated or modified.

14. This Agreement shall be assignable by the parties hereto as to their respective interests hereunder, in whole or in part, and shall be binding upon the heirs, executors, administrators, successors, and/or assigns of the respective parties; but this paragraph is subject to the North LaBarge Unit Agreement. This Agreement, unless sooner terminated by surrender, shall be and remain in force and effect during the life of said permit, and during the term of the lease or leases and all renewals thereof.

IN WITNESS WHEREOF, said parties hereto, have hereunto, and to counterparts hereof, set their hands the day and year herein first above written.

CONSENT

In consideration of the execution of the foregoing Operating Agreement by and between FRED J. HISCHEER, "PERMITTEE", and SUSAN J. QUEALY, "CONTRACTOR", covering Oil and Gas Prospecting Permit, Evanston, Wyoming, Serial No. 07555, said Operating Agreement being dated March 15th, 1939, to which this consent is attached and made a part thereof, the undersigned owners of lands or interests in lands or royalties or other interests in production covered by said Operating Agreement hereby severally, each to the extent of his particular ownership or interest briefly described opposite his signature consent to the inclusion of said lands within the North LaBarge Unit Area, approve and adopt the terms of said Operating Agreement and of the North La Barge Unit Agreement as applicable to said several lands and interests, agree that the drilling and development requirements of all leases and other contracts in which their several rights, royalties or other interests are created or defined shall be deemed fully performed by performance of the provisions of said Operating Agreement and said Unit Agreement, and agree that payment for the proceeds of oil and of the proceeds of gas duly made upon the basis of production allocated under said Unit Agreement to the particular lands to which such rights or interests apply, regardless of actual production therefrom, shall constitute full performance of all such obligations to the undersigned existing under such leases or other contracts.
