Defendants.)

Civil No. 577

JUDGMENT AND DECREE

This cause coming on regularly to be heard, this 8th day of September, 1941, on the petition of the plaintiff; and it appearing to the Court that service has been regularly made as by statute provided: and the Court being fully advised in the premises doth find:

That the plaintiff and his predecessors in interest are now, and for a long time have been, and now are entitled to and in the possession of certain real estate, situate, lying and being in the County of Sublette, State of Wyoming, and which is more particularly described as follows, to-wit:

The South Half of the Northwest Quarter (S $\frac{1}{2}$ NW $\frac{1}{4}$) and the Northeast Quarter of the Southwest Quarter (NE $\frac{1}{4}$ SW $\frac{1}{4}$) of Section Thirty-two (32), Township Thirty-two (32) North, Range One Hundred Six (106) West of the Sixth (6th) Principal Meridian, Wyoming, together with all water and water rights, ditches, dykes, dams, buildings, improvements, and everything thereunto appertaining and/or belonging.

The Court further finds that this plaintiff claims and has legal estate, title, and fee to the said premises; that the defendants above named claim an estate or interest therein adverse to the claim of said plaintiff; that for more than Ten (10) years last past the plaintiff and his predecessors in interest, have been, and plaintiff now is in and is entitled to the actual, continuous, uninterrupted, open notorious, visible, and exclusive possession of the lands described in Paragraph One (1) of plaintiff's petition and hereinabove set forth; AND

The Court doth further find that said defendants, and each of them, claim to have some right, title, estate or interest in said lands or some part thereof; but said defendants have not, nor has any or either of them, any right, title, interest, or estate in said lands, or lien upon the same or any part thereof adverse to this plaintiff; that said claims of said defendants and each of them are without any right whatsoever; AND

The Court further finds that there are no persons known to the plaintiff, other than those named as defendants herein, who have, or pretend to have, any claim or apparent right that creates a cloud on the lands hereinabove described; that the plaintiff has no knowledge, information, or belief that any of such unknown defendants do now have, or claim to have any right, title, interest, or estate in or to said lands; that if defendants or either of them have transferred any part or all of their rights or pretended rights, in and to said lands or any part thereof; or if the same has passed from said defendants by devise, descent, inheritance, purchase, operation of law, or otherwise, or at all, said transferees, devisees, heirs at law, creditors, purchasers, or any other person or persons, claiming by or through them, or any or either of them, they are unknown to this plaintiff; AND

The Court further finds that said unknown persons, if there are any such unknown persons claiming any right, title, interest, or estate in, or lien upon any interest which creates a cloud on the plaintiff's title to the lands hereinabove described or any part thereof, have not, nor has any or either of them any right, title, interest, or estate in said lands adverse to the plaintiff's ownership or that which creates a cloud on plaintiff's title thereto or any part thereof; AND it is, therefore,
