Party of the second part shall pay to the party or parties entitled thereto for all loss, cost, damage or expenses, resulting directly or indirectly from the construction, maintenance or operation of said line.

In case party of the second part, its successors or assigns shall fail for a continuous period of one year to maintain and operate said line, this right of way shall revert to and be reinvested in the parties of the first part, their heirs and assigns. In such event, party of the second part shall have the right to remove any property which it may have placed upon the premises, but it shall pay for all damages or injury to the premises caused by such removal.

Party of the second part agrees to furnish power for pump for livestock approximately one mile north of Double "F" Ranch House and further agrees to charge only one monthly minimum rate for service to the Double "F" Ranch and to said pump.

In consideration of the extension of said right of way, party of the second part hereby cancels the obligation of, if any, and releases Sadie Osterhout, her heirs and assigns, from any further payments of \$50.00 per year under Agreement dated October 8, 1954 between Griggs Power and Light Company, a Wyoming corporation, predecessor in interest of party of the second part, and Sadie Osterhout and James F. Mickelson.

This agreement shall be binding upon the heirs, legal representatives and assigns of the parties of the first part and the successors and assigns of the party of the second part.

IN WITNESS WHEREOF, the parties hereto have executed this agreement this 14 day of June, 1956.
