That positive affidavit has been made that none of said Defendants or any of them are now in the armed forces of the United States of America; that said Defendants have not, nor has any of them any right, title or interest in or to the said above described real estate;

That said Plaintiff claims and has legal estate, title and fee to the said premises; that the Defendants above named claim an estate or interest therein adverse to the claim of said Plaintiff; that for more than ten (10) years last past the Plaintiff and his predecessors in interest have been, and Plaintiff now is in and is entitled to the actual, continuous, uninterrupted, open, notorious, visible and exclusive possession of the lands hereinabove described in the petition filed herein.

THE COURT DOTH FURTHER FIND that said Defendants and each of them claim to have some right, title, estate or interest to said lands or some part thereof, but said Defendants have not, nor has any or either of them any right, title, interest or estate in said lands or lien upon the same or any part thereof adverse to this Plaintiff; that said claims of said Defendants and each of them are without any right whatsoever.

THE COURT FURTHER FINDS that there are no persons known to the Plaintiff, other than those named as Defendants herein who have or pretend to have any claim or apparent right that creates a cloud on the lands hereinabove described; that Plaintiff has no knowledge, information or belief that any of such unknown Defendants do now have or claim to have any right, title, interest or estate in or to said lands; that if Defendants or either of them have transferred any part or all their right or pretended right in and to said lands or any part thereof, or if the same has passed from said Defendants by devise, descent, inheritance, purchase, operation of law or otherwise, or at all, said transferees, devisees, heirs at law, creditors, purchasers or any other person claiming by or through them or any or either of them, are unknown to this Plaintiff.

THE COURT FURTHER FINDS that said unknown persons, if any there are, claiming any right, title, interest or estate in or lien upon any interest which creates a cloud on the Plaintiff's title to the lands hereinabove described or any part thereof, have not, nor has any or either of them any right, title, interest or estate in said lands adverse to the Plaintiff's ownership or that creates any cloud on Plaintiff's title there-to or any part thereof.
