SECURITIES STATEMENT
MARBLETON SANITATION CORPORATION

WHEREAS, the undersigned corporation was organized for the purpose of installing and maintaining a sewer system works in the Town of Marbleton Wyoming; and

WHEREAS, the promoters and agents of said corporation intend to solicit stock subscriptions from the present residents of the Town of Marbleton, and to issue stock sufficient to raise the necessary capital for the project; and

WHEREAS, the promoters and agents of said corporation are desirous of obtaining a permit in compliance with Article 12 of Chapter 39, Wyoming Compiled Statutes of 1943, from the Secretary of the State of Wyoming making such a stock issue legal and valid;

NOW, THEREFORE, the undersigned requests a permit to issue stock and respectfully sets forth the financial condition and purposes of the corporation as follows:

1. The total approximate cost of the sewer system works will be \$11,000.00. The installation of the system will be accomplished with labor donated by potential stockholders of the corporation so that the value of the complete system when installed will be approximately \$20,000.00. The residents of Marbleton have contributed a sum of \$7,950.00 towards this project and an additional sum of \$2,860.00 has been committed to be paid on or before the 10th day of September, 1959. Stock will be issued in exchange for the money above indicated. By agreement of the stockholders, if the total cash on hand is not adequate to complete the project, a pro-rata assessment will be made to raise the necessary capital.

2. The corporation will finance the project entirely from the proceeds of the stock issue. The sole purpose of the corporation is to provide sewer facilities. Only the present residents of Marbleton can qualify to purchase stock.

3. Future residents of Marbleton will be permitted to hook on to the system upon payment to the corporation of \$100.00 per 25 by 140 foot lot. It is likely that a nominal service fee will be charged to all users including the stockholders, however, a substantial part of this
