

- d. To grant to the party of the Second Part the right²⁸¹ to improve the bed and banks of the Green River as a fishery by constructing therein cribs, squares, triangles or other such structures as may be desired by the Party of the Second Part for the purposes of creating holes, eddies and shadings at any and all times and places as may hereafter be desired by the parties of the Second Part, together with the right of the Party of the Second Part and its employees to enter the said lands for fish stocking and related purposes.
- e. To grant to the Party of the Second Part the right to construct a foot bridge across the Green River, the said bridge to be located at a point to be later mutually determined and described by the parties hereto.
- f. That after the grant of the easements above described the parties of the First Part shall use no insecticides, herbicides or other chemicals on the premises or in any manner so as to endanger the fishery in the Green River and that at any event no herbicides, insecticides or other chemicals shall be used on the easement until the permission in writing authorizing such use shall be secured from the Party of the Second Part.
2. The Party of the Second Part agrees:
- a. That upon the conveyance to it of the easement above described they will pay unto the parties of the First Part the sum of \$2,850.00.
3. The parties mutually agree:
- a. That immediately upon the execution of this contract the parties of the First Part shall promptly deliver to the Party of the Second Part a properly
