NOTICE OF LIEN AND LIEN

Comes now National Tank Company, claimant, a foreign corporation, qualified to do business in the state of Wyoming, and avails itself of the benefits of the statutes on mechanics' and materialmens' liens for mines, quarries, oil, gas, or other wells, and files the account, below set out, for work and labor done and materials furnished by it under contract with Fundamental Oil Corporation, a corporation, owner of a leasehold interest in and to the hereinafter described premises and owner of an oil and gas well located on said premises; claimant states that said Fundamental Oil Corporation owned said leasehold interest and said oil well during all the times of the performance of said work and labor and the sale, delivery, and use of said materials on, in, and about said well; which said account is hereby filed in order that it may constitute a lien upon the oil and gas well and improvements on the premises hereinafter described; that said account is as follows, to-wit:
