effective unless Lessee shall, at or before the expiration of the primary term and during the period of such hindrance, delay or prevention, continue to pay or tender the annual delay rentals hereinabove mentioned as to all lands then subject to this lease on each anniversary rental paying date as the same become due and payable or until drilling operations are commenced or production of oil, gas or other mineral is obtained in accordance with the other provisions of this lease and the payment or tender of such rentals of such times shall have the same force and effect as rental payments paid or tendered during the primary term hereinabove mentioned. If rental payments have been suspended under the terms of this lease by reason of the commencement of operations for drilling or on account of the production of oil, gas or other minerals prior to the time Lessee is hindered, delayed or prevented by any such law, order, rule or regulation. Lessee may resume the payment or tender of the annual delay rental on the rental date next ensuing after Lessee has been hindered, delayed or prevented from complying with provisions of this lease as aforesaid, and the resumption of the payment of delay rentals shall have the same force and effect as though rentals had been continuously paid on each rental paying date, and by continuing such rental payments Lessee may extend this lease beyond the primary term for the full period hereinabove mentioned.

If, during the term of this lease, oil, gas or other mineral is discovered upon the leased premises, but Lessee is prevented from producing the same by reason of any of the aforementioned laws, orders, rules or regulations, this lease shall nevertheless be considered as producing and shall continue in full force and effect until Lessee is permitted to produce the oil, gas or other mineral and as long thereafter as such production continues in paying quantities or drilling or reworking operations are continued as elsewhere herein provided.

Lessor hereby warrants and agrees to defend the title to said land and agrees that Lessee at its option may discharge any tax, mortgage or other lien upon said land, either in whole or in part, and in event Lessee does so, it shall be subrogated to such lien with the right to enforce same and apply rentals and royalties accruing hereunder toward satisfying same. Without impairment of Lessee's rights under the warranty in event of failure of title, it is agreed that if Lessor owns an interest in said land less than the entire fee simple estate, then the royalties and rentals to be paid lessor shall be reduced proportionately.

11. Lessors hereby release and waive all rights of homestead.

All of the provisions of this lease shall inure to the benefit of and be binding upon the parties hereto, their heirs, administrators, successors and assigns.

This agreement shall be binding on each of the above named parties who sign the same, regardless of whether it is signed by any of the other parties.
