TO HAVE AND TO HOLD said lands, and all rights and privileges granted hereunder, unto Lessee, his/its heirs/ successors and assigns, for a term of ten (10) years from the date hereof, and so long thereafter as oil, gas and other hydrocarbons (including helium), or any of them, is produced therefrom.

Lessee shall pay as rental and royalty to Lessor in cash the prevailing market price at the well at the time of production the value in its natural state of the equal one-eighth (1/8) of all oil, gas and other hydrocarbons (including helium) produced, saved and marketed from said lands. All royalties shall be payable in money except that as to oil, at Lessee's option it shall have the right, in lieu of paying cash royalty for oil, to deliver Lessor's royalty oil, free of cost to Lessor, into the pipe line to which Lessee may connect its wells for the account and credit of Lessor.

If gas only is found on said lands and be not sold or marketed, Lessee shall pay as royalty Fifty (\$50.00) Dollars per annum for each such gas well and while such royalty is so paid such well or wells shall be deemed to be producing wells. Lessee shall have the right to use, free of cost and royalty, oil, gas and other hydrocarbons produced from said lands for Lessee's operations thereon. Lessor may have the use of any gas developed on said lands for stoves and inside lights in the principal dwelling house of Lessor on said lands so long as the same is not required by Lessee in its operations on said lands. All connections with the well and the use of said gas shall be at Lessor's sole risk and expense.

If operations for the drilling of a well for oil or gas be not commenced on said land on or before one year from this date this lease shall terminate as to both parties unless Lessee, on or before one year from this date, pays or tenders to Lessor, or for Lessor's credit, in the First National Bank at Kemmerer, Wyoming, or its successors, which bank, and its successors, is hereby designated as the depositary and agent of Lessor to collect and receipt for all rents and royalties payable hereunder and to settle all accounts in accounting of rents and royalties, and shall continue as such depositary and agent regardless of changes of ownership in said lands, or in the oil or gas, or in the rentals and royalties to accrue hereunder, the sum of One Hundred Sixty & No/100ths (\$160.00) Dollars as rental for the privilege of deferring the commencement of drilling operations for a period of one year from the aforesaid date. In like manner and upon like payments or tenders the commencement of drilling operations may be further deferred for like periods successively, during the term of this lease. Lessee, however, shall not be liable to Lessor for damages for failure to commence or to drill a well on said land.
