THIS AGREEMENT made this 11th day of August, 1951, between
Anderson L. McGinnis and Delia McGinnis, his wife, of LaBarge, Wyoming

Lessor (whether one or more), and Walter G. Davis, Box 856, Casper, Wyoming
 Lessee, WITNESSETH:

1. Lessor in consideration of Ten and no/100- - - - - Dollars
 (\$ 10.00), in hand paid, of the royalties herein provided, and of the agreement of Lessee herein contained, hereby
 grants, leases and lets exclusively unto Lessee for the purpose of investigating, exploring, prospecting, drilling and mining for and
 producing oil, gas, and other hydrocarbons, laying pipe lines, building tanks, power stations, telephone lines and other structures
 thereon to produce, save, take care of, treat, transport and own said products, and housing its employees, the following described
 land in Sublette County, Wyoming, to-wit:

Township 28 North, Range 112 West, 6th P.M.

Section 23 - Lots 6, 9, 11, 10

Section 26 - Lots 2, 3, 4, 10, NE $\frac{1}{4}$ NW $\frac{1}{4}$:NW $\frac{1}{4}$ SW $\frac{1}{4}$

of Section 23 & 26, Township 28 North, Range 112 West

It being intended hereby to include herein all lands and interests therein contiguous to or appurtenant to said described lands owned or
 claimed by Lessor. For rental payment purposes said leased lands shall be deemed to contain 295.75 acres, more or less.

2. Subject to the other provisions herein contained, this lease shall be for a term of 10 years from this date (called "primary term") and as
 long thereafter as oil, gas, or other hydrocarbons are produced from said land hereunder, or drilling or reworking operations are conducted thereon.

3. The royalties to be paid by Lessee are: (a) on oil, one-eighth of that produced and saved from said land, the same to be delivered at
 the wells or to the credit of Lessor into the pipe line to which the wells may be connected; Lessee may from time to time purchase any royalty
 oil in its possession, paying the market price therefor prevailing for the field where produced on the date of purchase; (b) on gas, including
 casinghead gas or other hydrocarbon substance, produced from said land and sold or used off the premises or in the manufacture of gasoline or other
 products therefrom, the market value at the well of one-eighth of the gas so sold or used, provided that on gas sold at the wells the royalty shall
 be one-eighth of the amount realized from such sale; where gas from a well producing gas only is not sold or used, Lessee may pay as royalty
 \$100.00 per well per year and if such payment is made it will be considered that gas is being produced within the meaning of Paragraph 2 hereof.
 Lessee shall have free use of oil, gas, coal, wood and water from said land, except water from Lessor's wells, for all operations hereunder, and the
 royalty on oil and gas shall be computed after deducting any so used. Lessor shall have the privilege at his risk and expense of using gas from
 any gas well on said land for stoves and inside lights in the principal dwelling thereon out of any surplus gas not needed for operations hereunder.

4. If operations for drilling are not commenced on said land or on acreage pooled therewith as hereinafter provided, on or before one year
 from this date, the lease shall then terminate as to both parties, unless on or before such anniversary date Lessee shall pay or tender to Lessor or to
 the credit of Lessor in First National Bank at Kemmerer, Wyoming,
 (which bank and its successors are Lessor's agent and shall continue as the depository for all rentals payable hereunder, regardless of changes in
 ownership of said land or the rentals either by conveyance or by the death or incapacity of Lessor) the sum of two hundred

ninety five and 75/100 - - - - - Dollars (\$ 295.75), (herein called rental), which shall cover the
 privilege of deferring commencement of operations for drilling for a period of twelve (12) months. In like manner and upon like payments or
 tenders annually the commencement of operations for drilling may be further deferred for successive periods of twelve (12) months each during the
 primary term. The payment or tender of rental herein referred to may be made in currency, draft or check at the option of the lessee; and the
 depositing of such currency, draft or check in any post office, properly addressed to the Lessor, or said bank, on or before the rental paying date,
 shall be deemed payment as herein provided. If such bank (or any successor bank) should fail, liquidate or be succeeded by another bank, or for
 any reason fail or refuse to accept rental, Lessee shall not be held in default for failure to make such payment or tender of rental until thirty (30)
 days after Lessor shall deliver to Lessee a proper recordable instrument, naming another bank as agent to receive such payments or tenders. The
 down cash payment is consideration for this lease according to its terms and shall not be allocated as mere rental for a period. Lessee may at any
 time execute and deliver to Lessor or to the depository above named or place of record a release or releases covering any portion or portions of the
 above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered,
 and thereafter the rentals payable hereunder shall be reduced in the proportion that the acreage covered hereby is reduced by said release or
 releases.

5. Should any well drilled on the above described land or on acreage pooled therewith during the primary term before production is obtained
 be a dry hole, or should production be obtained during the primary term and thereafter cease, then and in either event, if operations for drilling
 an additional well are not commenced or operations for reworking an old well are not pursued on said land on or before the first rental paying date
 next succeeding the cessation of production or drilling or reworking on said well or wells, then this lease shall terminate unless Lessee, on or before
 said date, shall resume the payment of rentals. Upon resumption of the payment of rentals, Section 4 governing the payment of rentals, shall continue
 in force just as though there had been no interruption in the rental payments. If during the last year of the primary term and prior to the
 discovery of oil, gas, or other hydrocarbons on said land Lessee should drill a dry hole thereon, or if after discovery of oil, gas, or other hydrocarbons
 before or during the last year of the primary term the production thereof should cease during the last year of said term from any cause, no rental
 payment or operations are necessary in order to keep the lease in force during the remainder of the primary term. If, at the expiration of the
 primary term, Lessee is conducting operations for drilling a new well or reworking an old well, or if, after the expiration of the primary term,
 production on this lease shall cease, this lease nevertheless shall continue as long as said operations continue or additional operations are had which
 additional operations shall be deemed to be had where not more than sixty days elapse between abandonment of operations on one well and com-
 mencement of operations on another well, and if production is discovered, this lease shall continue as long thereafter as oil, gas, or other hydro-
 carbons are produced and as long as additional operations are had.

6. Lessee is hereby given the right and power to pool or combine the land covered by this lease or any portion thereof with any other land,
 lease or leases when in Lessee's judgment it is necessary or advisable to do so in order to properly develop and operate said premises. If production
 is found on the pooled acreage, it shall be treated as if production is had from this lease whether the well or wells be located on the premises cov-
 ered by this lease or not. In lieu of the royalties elsewhere herein specified, Lessor shall receive on production from a unit so pooled only such
 portion of the royalty stipulated herein as the amount of his acreage placed in the unit or his royalty interest therein bears to the total acreage so
 pooled in the particular unit involved.

7. Lessee shall have the right at any time without Lessor's consent to surrender all or any portion of the leased premises and be relieved of
 all obligation as to the acreage surrendered. Lessee shall have the right at any time during or after the expiration of this lease to remove all
 property and fixtures placed by Lessee on said land, including the right to draw and remove all casing. When required by Lessor, Lessee will
 bury all pipe lines below ordinary plow depth, and no well shall be drilled within two hundred (200) feet of any residence or barn now on said
 land without Lessor's consent. The Lessee agrees to promptly pay to the owner thereof any damages to crops, or improvements, caused by or
 resulting from any operations of Lessee.

8. The rights of either party hereunder may be assigned, in whole or in part, and the provisions hereof shall extend to the heirs, successors
 and assigns of the parties hereto, but no change or division in ownership of the land, rentals, or royalties, however accomplished, shall operate to
 enlarge the obligations or diminish the rights of Lessee. No change in the ownership of the land, or any interest therein, shall be binding on
 Lessee until Lessee shall be furnished with a certified copy of all recorded instruments, all court proceedings and all other necessary evidence of
 any transfer, inheritance, or sale of said rights. In event of the assignment of this lease as to a segregated portion of said land, the rentals payable
 hereunder shall be apportionable among the several leasehold owners ratably according to the surface area of each, and default in rental payment
 by one shall not affect the rights of other leasehold owners hereunder. In case Lessee assigns this lease, in whole or in part, Lessee shall be
 relieved of all obligations with respect to the assigned portion or portions arising subsequent to the date of assignment.

9. All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and
 this lease shall not be terminated, in whole or in part, nor Lessee held liable in damages, for failure to comply therewith, if compliance is pre-
 vented by, or if such failure is the result of, any such Law, Order, Rule or Regulation, or if prevented by an act of God, of the public enemy, labor
 disputes, inability to obtain material, failure of transportation, or other cause beyond the control of Lessee.

10. Lessor hereby warrants and agrees to defend the title to said land and agrees that Lessee at its option may discharge any tax, mortgage
 or other lien upon said land, either in whole or in part, and in event Lessee does so, it shall be subrogated to such lien with the right to enforce
 same and apply rentals and royalties accruing hereunder toward satisfying same. Without impairment of Lessee's rights under the warranty in
 event of failure of title, it is agreed that if Lessor owns an interest in said land less than the entire fee simple estate, then the royalties and rentals
 to be paid Lessor shall be reduced proportionately.

11. Lessors hereby release and waive all rights of homestead.

All of the provisions of this lease shall inure to the benefit of and be binding upon the parties hereto, their heirs, administrators, successors
 and assigns.

This agreement shall be binding on each of the above named parties who sign the same, regardless of whether it is signed by any of
 the other parties.

IN WITNESS WHEREOF, this instrument is executed on the date first above written.
