Dear Mr. Greenberg:

Attached are four copies of Operating Agreement which you requested be prepared in your letter of October 24, 1953, assigning to you certain shallow rights in U. S. Oil and Gas Leases Serial Nos. Cheyenne 082277 and Wyoming 01676, both issuing out of Evanston 021425.

This Operating Agreement is delivered upon the condition that you assume all of the obligations of the lessee under these leases with respect to any operations you may conduct with the exception of rental obligations to which the Operating Agreement shall, nevertheless, be subject.

Will you please execute the Operating Agreement, returning to us the duplicate original together with the duplicate copy of this letter signed in the space provided.

Yours very truly,

B. A. Otis  
Manager, Land Department
