

a fee any gas which El Paso may have available from such reservoir or reservoirs and which El Paso shall elect to have processed. El Paso shall, however, be entitled to take its gas without any processing if it shall so elect. El Paso shall have the right to buy any of Continental's residue gas from its gas plant upon the terms and conditions provided for in the said contract above referred to.

30. PURCHASE OPTIONS.

Continental shall have and El Paso hereby grants to Continental a continuing right and option to purchase all of the substances considered oil produced from said lands and owned by El Paso at the posted price in the field for products of similar grade and quality or at the fair market value thereof in the event there is no posted field price.

El Paso shall have certain rights to purchase all of the substances considered gas produced from said lands and owned by Continental, as more particularly provided by the terms and provisions of the instrument referred to in the preceding numbered section.

31. FURTHER INSTRUMENTS.

Each of the parties hereto agrees that it will execute such contracts, assignments, surrenders or other instruments as may be necessary to carry out or make effective any or all of the provisions hereof.
