

CONSENT, RATIFICATION AND JOINDER
TO UNIT AGREEMENT FOR THE DEVELOPMENT AND OPERATION OF THE
HOGSBACK UNIT AREA, COUNTIES OF SUBLETTE AND LINCOLN, STATE OF WYOMING

Reference is made to that certain Unit Agreement dated November 1, 1954, '73
entitled "Unit Agreement for the Development and Operation of the Hogsback Unit Area,
Sublette and Lincoln Counties, State of Wyoming", identified in the records of the Department
of the Interior as No. 14-08-001-2070. Reference is also made to an expansion of the Unit
Area to include lands as indicated on Exhibit "A" attached hereto and made a part hereof,
which said Exhibit "A" is identical to the revised Exhibit "A" filed pursuant to Section 2
of said Unit Agreement.

In consideration of the benefits to be derived from joining in and consenting
to the said Hogsback Unit Agreement, the undersigned owners of lands or interests in lands
or of royalties or other interests in production from lands lying within the boundaries of the
Unit Area, as expanded, and as set forth in the said Exhibit "A", hereby severally, each to the
extent of his, her, or its particular ownership or interest, consent to commitment of said
lands to said Unit Agreement, approve, adopt, ratify, and confirm the terms of said Unit
Agreement as applicable to their respective lands, royalties and interests in all things with
the same force and effect as if the undersigned had duly executed said Unit Agreement, and
specifically agree that the term of any lease, sublease, or contract relating to the operation
and development for oil or gas from any lands within said Unit Area, given or entered into by
the undersigned or under which the undersigned claim an interest, is extended, modified, and
amended to the extent necessary to make the same conform to the terms of said Unit Agree-
ment; that the drilling and development requirements of all leases, subleases, and other
contracts in which their several rights and interests are created or defined shall, as to all
lands lying within said Unit Area, be deemed fully performed by performance of the
provisions of said Unit Agreement, and that payment for or delivery of (whichever may be
required under prior agreements) oil and of the proceeds of gas duly made upon the basis of
production allocated under said Unit Agreement to the particular lands to which such rights
or interests apply, regardless of actual production therefrom, shall constitute full
performance of all such obligations to the undersigned existing under such leases, subleases,
or other contracts.

This Consent may be executed in any number of counterparts, each of which shall
be an original, and have equal force and effect as any other counterpart, and when so executed
shall be binding upon the undersigned, his heirs, devisees, assigns or successors in
interest.
