

CONSENT, RATIFICATION AND JOINDER
TO UNIT AGREEMENT FOR THE DEVELOPMENT AND OPERATION OF THE
HOGSBACK UNIT AREA, COUNTIES OF SUBLETTE AND LINCOLN, STATE OF WYOMING

Reference is made to that certain Unit Agreement dated November 1, 1954, entitled "Unit Agreement for the Development and Operation of the Hogsback Unit Area, Sublette and Lincoln Counties, State of Wyoming", identified in the records of the Department of the Interior as No. 14-08-001-2070. Reference is also made to an expansion of the Unit Area to include lands as indicated on Exhibit "A" attached hereto and made a part hereof, which said Exhibit "A" is identical to the revised Exhibit "A" filed pursuant to Section 2 of said Unit Agreement.

In consideration of the benefits to be derived from joining in and consenting to the said Hogsback Unit Agreement, the undersigned owners of lands or interests in lands or of royalties or other interests in production from lands lying within the boundaries of the Unit Area, as expanded, and as set forth in the said Exhibit "A", hereby severally, each to the extent of his, her, or its particular ownership or interest, consent to commitment of said lands to said Unit Agreement, approve, adopt, ratify, and confirm the terms of said Unit Agreement as applicable to their respective lands, royalties and interests in all things with the same force and effect as if the undersigned had duly executed said Unit Agreement, and specifically agree that the term of any lease, sublease, or contract relating to the operation and development for oil or gas from any lands within said Unit Area, given or entered into by the undersigned or under which the undersigned claim an interest, is extended, modified, and amended to the extent necessary to make the same conform to the terms of said Unit Agreement; that the drilling and development requirements of all leases, subleases, and other contracts in which their several rights and interests are created or defined shall, as to all lands lying within said Unit Area, be deemed fully performed by performance of the provisions of said Unit Agreement, and that payment for or delivery of (whichever may be required under prior agreements) oil and of the proceeds of gas duly made upon the basis of production allocated under said Unit Agreement to the particular lands to which such rights or interests apply, regardless of actual production therefrom, shall constitute full performance of all such obligations to the undersigned existing under such leases, subleases, or other contracts.

This Consent may be executed in any number of counterparts, each of which shall be an original, and have equal force and effect as any other counterpart, and when so executed shall be binding upon the undersigned, his heirs, devisees, assigns or successors in interest.
