For purposes of this instrument all proceeds of production credited to the Production Payment on or prior to January 21, 1958 shall be considered to have accrued to the Production Payment prior to the effective date, and all proceeds of production credited to the Production Payment after January 21, 1958 shall be considered to have accrued to the Production Payment after the effective date regardless of when actually produced and sold.

Notwithstanding that Novi Oil Company and Novi Gas Company have now been merged into Woodson Oil Company so that Woodson Oil Company is now the owner of all the properties which are now subject to the Production Payment, it is recognized that the Production Payment is a separate and distinct property interest and shall not merge into the remaining interest of Woodson Oil Company in the properties affected by the Production Payment unless and until Woodson Oil Company in writing agrees that such merger shall take place.

This conveyance is executed in numerous counterparts, all of which are identical and constitute one and the same instrument, except that to the counterparts which will be filed for record in Coal and Woodward Counties, Oklahoma, respectively, there is attached as Exhibit B a description of those properties located in the county in which such counterpart is being recorded that are now subject to the Production Payment.

IN WITNESS WHEREOF, this instrument is executed this 24th day of January, 1958.
