

1 determined by the authorized representative of the Secretary
2 of Agriculture, which rates shall not be less than the current
3 rates of pay prevailing in the vicinity for services of a
4 similar character: Provided, that if the Unit Operator, its
5 employees, contractors, subcontractors, or employees of
6 contractors or subcontractors, caused or could have prevented
7 the origin or spread of said fire or fires, no payment shall be
8 made for services so rendered.

9 During periods of serious fire danger to forest, brush, or
10 grass, as may be specified by the authorized representative
11 of the Secretary of Agriculture, prohibit smoking and the
12 building of camp and lunch fires by its employees, contractors,
13 subcontractors, and employees of contractors or subcontractors
14 within the unit area except at established camps, and shall
15 enforce this prohibition by all means within its power:

16 Provided, that the authorized representative of the Secretary
17 of Agriculture may designate safe places where, after all in-
18 flammable material has been cleared away, campfires may
19 be built for the purpose of heating lunches and where, at the
20 option of the Unit Operator, smoking may be permitted.

21 Not burn rubbish, trash or other inflammable materials
22 except with the consent of the authorized representative of the
23 Secretary of Agriculture and not use explosives in such a
24 manner as to scatter inflammable materials on the surface
25 of the land during the forest, brush, or grass fire season,
26 except as authorized to do so or on areas approved by such
27 representative.

28 Build or construct such fire lines or do such clearing on the
29 unit area as the authorized representative of the Secretary
30 of Agriculture decides is essential for forest, brush, and
31 grass fire prevention which is or may be necessitated by the
32 exercise of the privileges authorized by this unit agreement,
