(3) To pay the lessor or his tenant, as the case may be, for any and all damage to or destruction of property caused by lessee's (permittee's) operations hereunder; and to save and hold the lessor harmless from all damage or claims for damage to persons or property resulting from the lessee's (permittee's) operations under this lease (permit).

(4) To address all matters relating to this stipulation to the Forest Supervisor of the National Forest in which the leased lands are located, or to such other representative as the Secretary of Agriculture may, from time to time, designate in writing delivered to the lessee (permittee).

(5) If lessee (permittee) shall construct any camp on the land, such camp shall be located at a place approved by the forest supervisor, and such forest supervisor shall have authority to require that such camp be kept in a neat and sanitary condition.

(6) That the lessee hereby recognizes existing uses and commitments in the form of Forest Service trail and fence also grazing and timber cutting permits and agrees to conduct his operations on the land so as to interfere as little as possible with the use of the land for the purposes stated.
