22. It is understood and agreed that leased premises are embraced within an unpatented mining claim of which the lessor is the successor to the locators. In the event a patent to said claim issues during the term hereof, lessee shall pay lessor additional bonus consideration in the sum of \$480.00.

23. Lessor agrees to perform properly the assessment work required by the mining laws for the years ending June 30th, 1959, 1960 and 1961 and to record the prescribed affidavit so evidencing. Lessee agrees, subject to the right of surrender, to perform properly the assessment work so required and to record the prescribed affidavit for the ensuing years during the term hereof.

24. In addition to the general provisions of the within lease relative to unitization, lessors specifically agree to commit all lessors interests in the lease premises to the Chimney Butte Deep unit agreement, if the lessee so requests.

The foregoing rider is attached to and made a part of that certain oil and gas lease between Delbert J. Ball and Belco Petroleum Corp., dated August 1, 1958.
