

T. 28 N., R. 113 W., 6th P. M.

Sec. 34: E $\frac{1}{2}$ NE $\frac{1}{4}$ ; SW $\frac{1}{4}$ NE $\frac{1}{4}$ ;  
N $\frac{1}{2}$ SE $\frac{1}{4}$ ; Lots 3 and 4

containing 288.74 acres, more or less.

WHEREAS, it is the desire of the Non-Operator and the Operator to enter into this agreement for the exploration, development and operation for the production of oil, gas and other hydrocarbon substances as to the deep zones of lands hereinabove described.

NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration, the receipt of which is hereby acknowledged Non-Operator does hereby grant to Operator all its interest, subject to the terms and conditions hereinafter set forth, in that portion of the above described lands lying below the base of the Muddy (Cretaceous) formation herein called the "deep zone" situate in the County of Sublette, State of Wyoming, containing 1,555.14 acres, more or less.

Subject to the following terms and conditions:

1. Operator shall have the right of exploration, development and operation of the deep zone of the above described lands for the production of oil, gas and other hydrocarbon substances.
2. Operator shall have the right to enter upon the above described lands in order to conduct any and all operations thereon, therein and thereunder, together with the right to drill through the above described lands for the purpose of exploring, developing and operating said deep zone. Operator agrees to use its best efforts to avoid interference with the normal development with the zone above the deep zone and Non-Operator agrees to use its best efforts to avoid interference with the normal development of the deep zones.
