

15. It is further understood and agreed that this is a part of a block of leases had or to be had of _____ acres, or more and that this lease shall not terminate until one year from the execution date of the last lease obtained in said block. It is also agreed that if the lessee shall begin to drill or take necessary steps to drill for oil on any part of the tract of land contained in this block, this shall be deemed as sufficient and binding under this lease, the same as if actual drilling had begun on the within described premises, and this lease shall be extended accordingly until the discovery well has completed its test.

16 It is agreed that this lease shall never be forfeited or cancelled for failure to perform in whole or in part any of its implied covenants, conditions, or stipulations until it shall have first been finally judicially determined that such failure exists, and after such final determination, lessee is given a reasonable time therefrom to comply with any such covenants, conditions, or stipulations.

17 This lease and all its terms, conditions, and stipulations shall extend to and be binding on all successors of said lessor or lessee.

IN WITNESS WHEREOF, we sign the day and year first above written.
