1 During periods of serious fire danger to forest, brush, or grass, 1
2 as may be specified by the authorized representative of the Secretary of 2
3 Agriculture, prohibit smoking and the building of camp and lunch fires by 3
4 its employees, contractors, subcontractors, and employees of contractors 4
5 or subcontractors within the unit area except at established camps, and 5
6 shall enforce this prohibition by all means within its power: Provided, 6
7 that the authorized representative of the Secretary of Agriculture may 7
8 designate safe places where, after all inflammable material has been cleared 8
9 away, campfires may be built for the purpose of heating lunches and where, 9
10 at the option of the unit operator, smoking may be permitted. 10

11 Not burn rubbish, trash or other inflammable materials except with 11
12 the consent of the authorized representative of the Secretary of Agri- 12
13 culture and shall not use explosives in such a manner as to scatter 13
14 inflammable materials on the surface of the land during the forest, brush, 14
15 or grass fire season, except as authorized to do so or on areas approved by 15
16 such representative. 16

17 Build or construct such fire lines or do such clearing on the unit 17
18 area as the authorized representative of the Secretary of Agriculture 18
19 decides is essential for forest, brush, and grass fire prevention which is 19
20 or may be necessitated by the exercise of the privileges authorized by this 20
21 unit agreement, and maintain such fire tools at his headquarters or at the 21
22 appropriate location on the unit area as are deemed necessary by such repre- 22
23 sentative. 23

24 (c) In the location, design, construction and maintenance of all 24
25 authorized works, buildings, plants, waterways, roads, telegraph or telephone 25
26 lines, pipelines, reservoirs, tanks, pumping stations, or other structures 26
27 or clearance, the unit operator shall do all things reasonably necessary to 27
28 prevent or reduce to the fullest extent scarring and erosion of the land, 28
29 pollution of the water resources and any damage to the watershed. Where 29
30 construction, operation, or maintenance of any of the facilities on or 30
31 connected with this unit agreement causes damage to the watershed or 31
32 pollution of the water resources, the unit operator agrees to repair such 32
33 damage and to take such corrective measures to prevent further pollution 33
34 or damage to the watershed as are deemed necessary by the authorized repre- 34
35 sentative of the Secretary of Agriculture. 35
