It is agreed that this lease shall remain in force for a term of ten years from this date, and as long thereafter as oil, gas, casinghead gas, casinghead gasoline or any
of them is produced from said leased premises, or drilling operations are continued as hereinafter provided. If, at the expiration of the primary term of this lease, oil or gas
is not being produced on the leased premises but lessee is then engaged in drilling operations, then this lease shall continue in force so long as drilling operations are being
continuously prosecuted on the leased premises.

In consideration of the premises the said lessee covenants and agrees:

privilege of deferring the commencement of a well for twelve months from said date. In like manner and upon like payments or tenders the commencement of a well may
be further deferred for like periods of the same number of months successively. All payments or tenders may be made by check or draft of lessee or any assignee thereof,
mailed or delivered on or before the rental paying date. It is understood and agreed that the consideration first recited herein, the down payment, covers not only the priv-
ilege granted to the date when said first rental is payable as aforesaid, but also the lessee's option of extending that period as aforesaid, and any and all other rights conferred.

Should the first well drilled on the above described land be a dry hole, then, and in that event, if a second well is not commenced on said land within twelve months
from the expiration of the last rental period for which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said
twelve months shall resume the payment of rentals in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of
the payment of the rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals and the effect thereof, shall continue in force
just as though there had been no interruption in the rental payments.

tion, construction, location or maintenance of structures, tanks, pits, reservoirs, equipment or machinery to be used for the purpose of exploring, developing or operating
adjacent lands for oil or gas.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided
shall be paid the lessor only in proportion which his interest bears to the whole and undivided fee.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for its operation thereon, except water from wells of lessor.

covenants hereof shall extend to the sub-lessees or assigns, their heirs, executors, administrators and successors; and in the event of an assignment or subletting by lessee,
lessee shall be relieved and discharged, as to the lands so assigned or sublet, from any liability to the lessor thereafter accruing upon any of the covenants or conditions of
the lease, either express or implied. No change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been
furnished with a written transfer or assignment or a true copy thereof; and it is hereby agreed in the event this lease shall be assigned or sublet as to a part or parts of the
above described lands and the assignee or assignees, or sub-lessee or sub-lessees, of such part or parts shall fail or make default in the payment of the proportionate part
of the rents due from him or them, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of said lands as to which the said lessees
or any assignee or sub-lessee thereof shall make due payment of said rental.

If at any time there be as many as four parties entitled to rentals or royalties, lessee may withhold payments thereof unless and until all parties designate, in writing,
in a recordable instrument to be filed with the lessee, a common agent to receive all payments due hereunder, and to execute division and transfer orders on behalf of said
parties and their respective successors in title.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time to pay for lessor, any
mortgage, taxes or other liens on the above described lands in the event of default of payment by lessor, and be subrogated to the rights of the holder thereof, and lessor
herby agrees that any such payments made by the lessee for the lessor may be deducted from any amounts of money which may become due the lessor under the terms
of this lease.

All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations and this lease shall not be termi-
nated, in whole or in part, nor lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law,
Order, Rule or Regulation.

Should the depository bank hereafter close without a successor, lessee or his assigns may deposit rental in any National Bank located in same county with first named
bank, due notice of the deposit of such rental to be mailed to lessor at last known post office address.

Should any person, firm or corporation having an interest in the above described land not lease to lessee, or should any one or more of the parties named above as
lessors not execute this lease, it shall nevertheless be binding upon the party or parties, executing the same.

Lessor agrees that the lessee or assigns may include the land covered hereby, or any part thereof, in any unit plan of development or operation which is approved by
the Secretary of the Interior or by the Secretary of Agriculture and lessor agrees to execute any such approved unit plan in order to make it effective as to the interests
covered by this lease. In such event, royalty will be paid to lessor at the rates set forth above, as to the land covered hereby and included in the unit, based upon the
production allocated pursuant to the unit plan to said land; and the drilling or completion or continued operation of a well on any portion of the area included within such
a plan shall be construed and considered as the drilling or completion or continued operation of a well under the terms of this lease as to all of the land covered by the lease.

The undersigned lessors, for themselves and their heirs, successors and assigns, hereby expressly release and waive all rights under and by virtue of the homestead
exemption laws of the State of Wyoming, insofar as the same may in any way affect the purpose for which this lease is made as recited herein.
