

(e) *Reserved deposits.*—To comply with all statutory requirements and regulations thereunder, if the lands embraced herein have been or shall hereafter be disposed of under the laws reserving to the United States the deposits of oil and gas therein, subject to such conditions as are or may hereafter be provided by the laws reserving such oil or gas.

(f) *Assignment of oil and gas lease or interest therein.*—Not to assign this lease, or any interest therein, whether by operating agreement, working or royalty interest, or otherwise, nor to sublet any portion of the leased premises, except with the consent in writing of the Secretary of the Interior. All assignments must be submitted in triplicate within 30 days from the date of execution and must contain all of the terms and conditions agreed upon by the parties thereto. If the consideration expressed in the agreement fails to describe the true consideration, an accompanying affidavit must be submitted stating the consideration in full. The affidavit will be treated as confidential and not for public inspection. No assignment of any kind will be recognized as valid which, exclusive of the royalty payable to the United States, shall create overriding royalty interests in the lease aggregating in excess of 6 per cent. Furthermore, no assignments providing for other payments out of production which constitute a burden upon lease operations prejudicial to the interests of the United States will be approved.

(g) *Deliver premises in cases of forfeiture.*—To deliver up the premises leased, with all permanent improvements thereon, in good order and condition in case of forfeiture of this lease; but this shall not be construed to prevent the removal, alteration, or renewal of equipment and improvements in the ordinary course of operations.

(h) *Pipe lines to purchase or convey at reasonable rates and without discrimination.*—If owner, or operator, or owner of a controlling interest in any pipe line or of any company operating the same which may be operated accessible to the oil or gas derived from lands under this lease, to accept and convey and, if a purchaser of such products, to purchase at reasonable rates and without discrimination the oil or gas of the Government or of any citizen or company not the owner of any pipe line, operating a lease or purchasing or selling oil, gas, natural gasoline, or other products under the provisions of the Act.

(i) *Reserved or segregated lands.*—If any of the land included in this lease is embraced in a reservation or segregated for any particular purpose, the lessee shall conduct operations thereunder in conformity with such requirements as may be made by the Secretary of the Interior for the protection and use of the land for the purpose for which it was reserved or segregated, so far as may be consistent with the use of the land for the purposes of this lease, which latter shall be regarded as the dominant use unless otherwise provided herein or separately stipulated.

SEC. 3. The lessor expressly reserves:

(a) *Rights reserved—Easements and rights-of-way.*—The right to permit for joint or several use easements or rights-of-way, including easements in tunnels upon, through or in the lands leased, occupied, or used as may be necessary or appropriate to the working of the same or of other lands containing the deposits described in the Act, and the treatment and shipment of products thereof by or under authority of the Government, its lessees or permittees, and for other public purposes.

(b) *Disposition of surface.*—The right to lease, sell, or otherwise dispose of the surface of the lands embraced within this lease under existing law or laws hereafter enacted, insofar as said surface is not necessary for the use of the lessee in the extraction and removal of the oil and gas therein: *Provided*, That this reservation shall not apply to any lands herein described, title to which has passed from the United States.

(c) *Monopoly and fair prices.*—Full power and authority to promulgate and enforce all orders necessary to insure the sale of the production of the leased lands to the United States and to the public at reasonable prices, to protect the interests of the United States, to prevent monopoly, and to safeguard the public welfare.

(d) *Helium.*—Pursuant to section 1 of the Act, and section 1 of the Act of Congress approved March 3, 1927 (44 Stat. 1387), as amended, the lessor reserves the ownership and the right to extract, under such rules and regulations as shall be prescribed by the Secretary of the Interior, helium from all gas produced under this lease, but the lessee shall not be required to extract and save the helium for the lessor; in case the lessor elects to take the helium the lessee shall deliver all gas containing same, or portion thereof desired, to the lessor at any point on the leased premises in the manner required by the lessor, for the extraction of the helium in such plant or reduction works for that purpose as the lessor may provide, whereupon the residue shall be returned to the lessee with no substantial delay in the delivery of gas produced from the well to the purchaser thereof: *Provided*, That the lessee shall not, as a result of the operation in this paragraph provided for, suffer a diminution of value of the gas from which the helium has been extracted, or loss otherwise, for which the lessee is not reasonably compensated, save for the value of the helium extracted; the lessor further reserves the right to erect, maintain, and operate any and all reduction works and other equipment necessary for the extraction of helium on the premises leased.

(e) *Taking of royalties.*—All rights pursuant to section 36 of the Act, to take royalties in amount or in value of production.

(f) *Casing.*—All rights pursuant to section 40 of the Act, to purchase casing and lease or operate valuable water wells.

SEC. 4. *Drilling and producing restrictions.*—It is covenanted and agreed that the rate of prospecting and developing and the quantity and rate of production from the lands covered by this lease shall be subject to control in the public interest by the Secretary of the Interior, and in the exercise of his judgment the Secretary may take into consideration, among other things, Federal laws, State laws, and regulations issued thereunder, or lawful agreements among operators regulating either drilling or production, or both.
