he acquired by virtue of the Assignment dated September 17, 1960, aforementioned, and that he has not heretofore conveyed nor encumbered the same.

For the same consideration Assignor does hereby bargain, sell, transfer, convey and assign to Assignee all of Assignor's right, title, interest and estate in and to all wells situate on the lands described above, and all well equipment located thereon, therein and thereunder, including but not limited to all pipe, pumps, casing, flow lines, tubing, rods, tankage, fittings, doghouses, heaters and treaters; and including all of Assignor's interest in the metering system which may now be presently situated at or near LaBarge, Wyoming. Assignor covenants to execute such further bill of sale as may be necessary to vest in Assignee all of Assignor's title and interest in and to all equipment, material and supplies situate on, in and under the above described lands.

IN WITNESS WHEREOF, Assignor has executed this Assignment the day and year first above written, and the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, and assigns.
