Oil and Gas

## CONSENT TO CHANGES IN LEASE TERMS REQUIRED

Public Law 86-705 approved September 2, 1960 amended the Mineral Leasing Act to require the following changes in the terms of noncompetitive oil and gas leases:

1. Sec. 1 is revised to change the term of the lease from 5 to 10 years and to eliminate the last sentence thereof concerning the extension of the lease.
2. Sec. 2(d)(1)(a)(i) through (iv) is amended to require a rental of 50¢ per acre or fraction of an acre for each lease year.
3. Sec. 2(d)(1)(b)(i) is amended to require payment of \$2 per acre or fraction of an acre per year beginning with the first lease year after 30 days notice that all or part of the lands are within a known geologic structure of a producing oil and gas field.
4. Sec. 2(d)(1)(b)(ii) is amended to eliminate the exception that the second and third years rental shall be 25¢ per acre or fraction thereof.

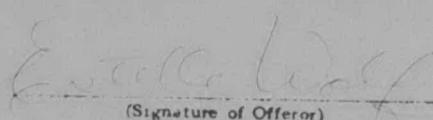

In order to comply with the Mineral Leasing Act as amended you are allowed 30 days from receipt hereof to agree to these revisions by signing the statement shown below in duplicate and returning both copies to this office. Upon failure to comply with these requirements or to appeal within the time specified the offer will be rejected and your advance rental will be returned.

Manager

I consent to the amendment of the lease terms in my pending offer to lease as indicated above, and also consent to be bound by all of the provisions of Public Law 86-705, approved September 2, 1960 referred to above.
