SUPPLEMENT TO SEC. 2(q) OF OIL AND GAS LEASE  
PROTECTION OF SURFACE, NATURAL RESOURCES AND IMPROVEMENTS

Sec. 2(q) of the lease terms requires the lessee to observe good land management conservation practices. It provides that the lessor may prescribe the steps to be taken and restoration to be made with respect to lands of the United States and improvements thereon.

The Secretary of the Interior's authorized representative for matters relating to this section is the Bureau of Land Management District Manager for the district in which the leased lands are situated. The map on the reverse shows district offices and land which they embrace. The states of Kansas and Nebraska are under the District Manager at Casper.

The lessee should address all matters pertaining to this section to the appropriate District Manager. Before undertaking explorations or operations, the lessee or his designee is urged to inform the District Manager of his presence and location within the district boundaries.
