SPECIAL STIPULATION

The lessee will not undertake any drilling, construction of roads or pipelines, or any other activity which involves removal of vegetation until a plan of construction and development has been approved by the Forest Service representative. Such approval may be conditioned on reasonable requirements to prevent erosion, water pollution, or damage to surface resources and to provided for restoration of the surface.

SPECIAL STIPULATION

The S $\frac{1}{4}$ N $\frac{1}{4}$ Sec. 16 is important from a public recreation standpoint. No occupancy of the surface within 100 feet of the shoreline of North Piney Creek is authorized by this lease without the approval of the authorized Forest Service representative. The lessee, however, is authorized to employ directional drilling to exploit the oil and gas resources under this 100 foot strip providing such drilling and related activities will not disturb or occupy the surface
