Unless prevented by circumstances over which it has no control, the Unit Operator shall place its employees, contractors, subcontractors, and employees of contractors and subcontractors employed on the lands at the disposal of any authorized officer of the Department of Agriculture for the purpose of fighting forest, brush or grass fires on or originating on the lands or on adjacent areas or caused by the negligence of the Unit Operator or its employees, contractors, subcontractors, and employees of contractors and subcontractors, with the understanding that payment for such services shall be made at rates to be determined by the authorized representative of the Secretary of Agriculture, which rates shall not be less than the current rates of pay prevailing in the vicinity for services of a similar character; Provided, that if the Unit Operator, its employees, contractors, subcontractors, or employees of contractors or subcontractors, caused or could have prevented the origin or spread of said fire or fires, no payment shall be made for services so rendered.
