

(7) If Unit Operator shall construct any camp on the lands, such camp shall be located at a place approved by the authorized representative of the Secretary of Agriculture, and such representative shall have authority to require that such camp be kept in a neat and sanitary condition.

(8) To comply with all the rules and regulations of the Secretary of Agriculture governing the national forests or other lands under his jurisdiction which are embraced in this Unit Agreement.

(9) Unless otherwise authorized, prior to the beginning of operations to appoint and maintain at all times during the term of this Unit Agreement a local agent upon whom may be served written orders or notices respecting matters contained in this stipulation, and to inform the authorized representative of the Secretary of Agriculture, in writing, of the name and address of such agent. If a substitute agent is appointed, the Unit Operator shall immediately so inform the said representative.

(10) To address all matters relating to this stipulation to

FOREST SUPERVISOR  
TETON NATIONAL FOREST  
FOREST SERVICE BUILDING  
JACKSON, WYOMING 83001

who is the authorized representative of the Secretary of Agriculture, or to such other representative as may from time to time be designated, provided that such designation shall be in writing and be delivered to the Unit Operator or its agent.

(11) If all or any part of the lands lie within a municipal watershed, or are, in the opinion of the authorized representative of the Secretary of Agriculture, primarily valuable for watershed protection, the Unit Operator shall reseed or otherwise restore the vegetative cover, as required by the authorized representative of the Secretary of Agriculture, for watershed protection and erosion prevention on any areas damaged because of the operation.

34. JACKSON HOLE AREA STIPULATION. The lands embraced in this Unit Agreement being within the area designated in the memorandum of August 15, 1947, by the Secretary of the Interior ("Oil and Gas Leases in the Jackson Hole, Wyoming Area"; Federal Register, August 30, 1947, page 5859), which specifies the general conditions under which the unitized development of the oil and gas resources is authorized, the Unit Operator hereby agrees:
