This form is submitted in lieu of official Form 3106-5 and contains all of the provisions thereof as of the date of filing of this Assignment, plus the acknowledgment below which is the only addition to Official Form 3106-5.

Title 18 U.S.C., Section 1001, makes it a crime for any person knowingly and willfully to make to any department or agency of the United States any false, fictitious, or fraudulent statements or representations as to any matter within its jurisdiction.

GENERAL INSTRUCTIONS

1. Use of form - Use only for assignment of record title interest in oil and gas leases. Do not use for assignments of working or royalty interests, operating agreements, or subleases. Where more than one assignment is made out of a lease, file a separate instrument of transfer with each assignment. An assignment of record title may only cover lands in one lease.
2. Filing and number of copies - File three (3) completed copies in the proper land office. Manually sign each copy. A \$10 nonrefundable filing fee, required bond, and proof of qualifications of assignee to take and hold an oil and gas lease must accompany assignment. File assignment within ninety (90) days after date of final execution.
3. Effective date of assignment - Assignment takes effect on the first day of the month following the date of filing, if approved.
4. Overriding royalties or payments out of production - Describe, in an accompanying statement, any overriding royalties or payments out of production created by assignment but not set out therein. If payments out of production are reserved by assignor, outline in detail the amount, method of payment, and other pertinent terms.
5. Effect of assignment - Upon approval of assignment, assignee becomes lessee of the Government as to the assigned interest and is responsible for compliance with all lease terms and conditions, including timely payment of annual rental and maintenance of bond, if required.

Approval of an assignment of part of the leased lands creates separate leases out of the assigned and the retained portion but there is no change in either the anniversary date or terms of such leases except as provided under the regulations 43 CFR 3107. Oil and gas leases are governed by the regulations 43 CFR 3100, of which Section 3106 relates to assignments of such leases or interests therein.

6. A copy of the executed lease, out of which this assignment is made, should be made available to assignee by assignor.

SPECIFIC INSTRUCTIONS

As to qualifications of assignee, there must be full compliance with the regulations 43 CFR 3102.

2. Statement of interests - Assignee must indicate whether or not he is the sole party in interest in the assignment; if not, assignee must submit, at time assignment is filed, a signed statement giving the names of other interested parties.
