**To all to whom these presents shall come, Greeting:**

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming, is now deposited in the Bureau of Land Management, whereby it appears that full payment has been made by Dan H. Budd, according to the provisions of the Act of Congress approved March 3, 1877 (19 Stat. 377), as amended by the Act of March 3, 1891 (26 Stat. 1096), for the following described land:

Sixth Principal Meridian, Wyoming.
T. 29 N., R. 113 W.,
Sec. 3, NE¼SW¼, N½SE¼, SW¼SE¼.

The area described contains 160.00 acres, according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said Dan H. Budd, and to his heirs the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said Dan H. Budd, and to his heirs and assigns forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States. Excepting and reserving, also, to the United States all the oil and gas in the lands so patented and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914 (38 Stat. 509). This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437) and the Act of March 4, 1933 (47 Stat. 1570) and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentee for damages resulting from proper mining operations. Subject to such rights for pipe line purposes as the Pacific Northwest Pipe Line Corporation and the Big Piney Oil & Uranium Company may have under Section 28 of the Act of February 25, 1920 (41 Stat. 437), as amended by the Act of August 21, 1935 (49 Stat. 674).

**IN TESTIMONY WHEREOF**, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat., 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said C. C. Feltner and Angeline Feltner

, the said placer mining premises, hereinbefore described;

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging, unto the said grantees above named and to their heirs and assigns forever; subject, nevertheless, to the following conditions and stipulations:

FIRST. That the grant hereby made is restricted in its exterior limits to the boundaries of the said mining premises, and to any veins or lodes of quartz or other rock in place bearing gold, silver, cinnabar, lead, tin, copper, or other valuable deposits, which may have been discovered within said limits subsequent to and which were not known to exist on February 18, 1959.

SECOND. That should any vein or lode of quartz or other rock in place bearing gold, silver, cinnabar, lead, tin, copper, or other valuable deposits, be claimed or known to exist within the above-described premises at said last-named date, the same is expressly excepted and excluded from these presents.

THIRD. That the premises hereby conveyed shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local laws, customs, and decisions of the courts. And there is reserved from the lands hereby granted a right-of-way thereon for ditches or canals constructed by the authority of the United States.

FOURTH. That in the absence of necessary legislation by Congress, the Legislature of Wyoming may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to the complete development thereof.

Fifth. There is reserved to the United States all Leasing Act minerals in the SW¼NW¼SE¼ and N½SW¼SE¼ said Sec. 2, and the right of the United States, its lessees, permittees, and licensees to enter upon the land, prospect for, drill, mine, treat, store, and remove the same, and to use so much of the surface and subsurface of said land as may be necessary for such purposes, in accordance with the provisions of the Act of August 13, 1954 (68 Stat. 708).

**To all to whom these presents shall come, Greeting:**

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming,

is now deposited in the Bureau of Land Management, whereby it appears that full payment has been made by the claimant Josephine O. Guio,

according to the provisions of Chapter 7, Title 32 of the Revised Statutes of the United States and legislation supplemental thereto, for the following described land:

Sixth Principal Meridian, Wyoming.

T. 30 N., R. 114 W.,

Sec. 1, S½SE¼.

The area described contains 80 acres,

according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimant and to the heirs of the said claimant the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States.

Excepting and reserving, also, to the United States, all the oil and gas in the lands so patented, and to it or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914 (38 Stat. 509).

This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437) and the Act of March 4, 1933 (47 Stat. 1570), and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentee for damages resulting from proper mining operations.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat., 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the TENTH day of SEPTEMBER in the year of our Lord one thousand nine hundred and FIFTY-NINE and of the Independence of the United States the one hundred and EIGHTY-FOURTH.

# The United States of America,

To all to whom these presents shall come, Greeting:

WHEREAS, a Certificate of the Register of the Land Office at Evanston, Wyoming, has been deposited in the General Land Office, whereby it appears that, pursuant to the Act of Congress of May 20, 1862, "To Secure Homesteads to Actual Settlers on the Public Domain," and the acts supplemental thereto, the claim of Harry H. Rahm has been established and duly consummated, in conformity to law, for the south half of the northeast quarter of Section twenty, the south half of the northwest quarter, the northeast quarter, the north half of the southwest quarter, the southeast quarter of the southwest quarter, and the south half of the southeast quarter of Section twenty-one, and the north half of the northeast quarter and the northeast quarter of the northwest quarter of Section twenty-eight in Township thirty-six north of Range one hundred ten west of the Sixth Principal Meridian, Wyoming, containing six hundred forty acres, according to the Official Plat of the Survey of the said Land, on file in the GENERAL LAND OFFICE:

NOW KNOW YE, That there is, therefore, granted by the UNITED STATES unto the said claimant the tract of Land above described; TO HAVE AND TO HOLD the said tract of Land, with the appurtenances thereof, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States. Excepting and reserving, however, to the United States all the coal and other minerals in the lands so entered and patented, together with the right to prospect for, mine, and remove the same pursuant to the provisions and limitations of the Act of December 29, 1916 (39 Stat. 862). Reserving unto the United States, its permittee or licensee, the right to enter upon, occupy and use any part or all of the south half of the northeast quarter of said Section twenty and the south half of the northwest quarter, the northeast quarter, and the north half of the southwest quarter of said Section twenty-one, for the purposes provided in the Act of June 10, 1920 (41 Stat. 1063), and subject to the conditions and limitations of Section 24 of said Act, as amended by the Act of August 26, 1935 (49 Stat. 846).

IN TESTIMONY WHEREOF, I, Franklin D. Roosevelt, President of the United States of America, have caused these letters to be made Patent, and the Seal of the General Land Office to be hereunto affixed.

**To all to whom these presents shall come, Greeting:**

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming,

is now deposited in the Bureau of Land Management, whereby it appears that full payment has been made by the claimant Margaret G. Greenwood

according to the provisions of the Act of Congress approved March 3, 1877 (19 Stat. 377), as amended by the Act of March 3, 1891 (26 Stat. 1096), for the following described land:

Sixth Principal Meridian, Wyoming.

T. 31 N., R. 111 W.,
Sec. 26, W½SW¼;
Sec. 35, W½NW¼.

The area described contains 160.00 acres,

according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimant and to the heirs of the said claimant the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States.

Excepting and reserving, also, to the United States all the oil and gas in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914 (38 Stat. 509).

This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437), and the Act of March 4, 1933 (47 Stat. 1570), and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentee for damages resulting from proper mining operations.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the THIRTIETH day of OCTOBER in the year of our Lord one thousand nine hundred and SIXTY-ONE and of the Independence of the United States the one hundred and EIGHTY-SIXTH.

**To all to whom these presents shall come, Greeting:**

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming,

is now deposited in the Bureau of Land Management, whereby it appears that full payment has been made by the claimant Philip Marincic, Senior,

according to the provisions of Chapter 7, Title 32 of the Revised Statutes of the United States and legislation supplemental thereto, for the following described land:

Sixth Principal Meridian, Wyoming.

T. 30 N., R. 110 W.,

Sec. 9, Lot 5.

The area described contains 8.19 acres,

according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimant and to the heirs of the said claimant the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States.

Excepting and reserving, also, to the United States all the oil and gas in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914 (38 Stat. 509).

This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437), and the Act of March 4, 1933 (47 Stat. 1570), and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentee for damages resulting from proper mining operations.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat., 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the FIRST day of DECEMBER in the year of our Lord one thousand nine hundred and SIXTY-ONE and of the Independence of the United States the one hundred and EIGHTY-SIXTH.

according to the provisions of the Act of Congress approved March 3, 1877 (19 Stat. 377), as amended by the Act of March 3, 1891 (26 Stat. 1096), for the following described land:

Sixth Principal Meridian, Wyoming.
T. 31 N., R. 109 W.,
Sec. 3, SE¼SW¼, SW¼SE¼;
Sec. 10, W½NE¼, E½NW¼, NE¼SW¼, NW¼SE¼.

The area described contains 320.00 acres,
according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimant and to the heirs of the said claimant the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States.

Excepting and reserving, also, to the United States all the oil and gas in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914 (38 Stat. 509).

This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437), and the Act of March 4, 1933 (47 Stat. 1570), and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentee for damages resulting from proper mining operations.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the TWENTY-THIRD day of OCTOBER in the year of our Lord one thousand nine hundred and SIXTY-ONE and of the Independence of the United States the one hundred and EIGHTY-SIXTH.

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming, has been issued showing that full payment has been made by the Fremont Lake Gun Club pursuant to the provisions of the Act of Congress approved June 1, 1938 (52 Stat. 609), entitled "An Act to provide for the purchase of public lands for home and other sites," and the acts supplemental thereto, for the following described land:

Sixth Principal Meridian, Wyoming.

T. 34 N., R. 109 W.,

Sec. 27, S½SW¼NE¼SE¼.

The area described contains 5.00 acres, according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said Fremont Lake Gun Club and to its successors the Tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said Fremont Lake Gun Club and to its successors and assigns forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States. Excepting and reserving, also, to the United States all oil, gas and other mineral deposits, in the land so patented, together with the right to prospect for, mine, and remove the same according to the provisions of said Act of June 1, 1938.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat., 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the TWENTY-FIRST day of AUGUST in the year of our Lord one thousand nine hundred and SIXTY-TWO and of the Independence of the United States the one hundred and EIGHTY-SEVENTH.

The Town of Big Piney, State of Wyoming, does by the acceptance of this patent covenant and agree for itself, and its successors in function, forever, as follows:

1. The Town of Big Piney, State of Wyoming, will use the lands herein conveyed for airport development.

2. The airport to which such development relates, together with its appurtenant areas, buildings, and facilities, whether or not on the lands herein conveyed, will be operated as a public airport upon fair and reasonable terms, without discrimination on the basis of race, color, creed, or national origin, as to airport employment practices, and as to accommodations, services, facilities, and other public uses of said airport.

3. Any subsequent transfer of the property interest conveyed hereby will be made subject to all the covenants, conditions, and limitations contained in this instrument.

4. The United States Government or its duly authorized agents at all times shall be permitted to use the airfield free of charge for fire suppression, management of the Pinedale Grazing District and other official activities.

5. The Town of Big Piney, State of Wyoming, will enclose the airport installation with fences to prevent livestock from straying onto the landing strips. The fences will be constructed in accordance with standard Bureau of Land Management specifications.

6. In the event of a breach of any condition or covenant herein imposed, the Town of Big Piney, State of Wyoming, or its successors in function, will. upon demand of the Administrator of the Federal Aviation Agency or his successors in function, take such action, including the prosecution of suit, or execute such instruments, as may be necessary or required to evidence transfer of title to the herein-conveyed lands to the United States of America.

is now deposited in the Bureau of Land Management, whereby it appears that full payment has been made by the claimants, the Devisees of Patricia Ball Newcomb,

according to the provisions of the Act of Congress approved March 3, 1877 (19 Stat. 377), as amended by the Act of March 3, 1891 (26 Stat. 1096), for the following described land:

Sixth Principal Meridian, Wyoming.
T. 33 N., R. 111 W.,
Sec. 6, Lot 7, SE¼SW¼;
Sec. 7, N½NE¼, NE¼NW¼;
T. 33 N., R. 112 W.,
Sec. 1, SE¼NE¼, E½SE¼.

The areas described aggregate 318.80 acres,

according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimants and to the heirs of the said claimants the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimants and to the heirs and assigns of the said claimants forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States.

Excepting and reserving, also, to the United States all the oil and gas in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914 (38 Stat. 509). This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437), and the Act of March 4, 1933 (47 Stat. 1570), and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentees for damages resulting from proper mining operations.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the TWENTY-SEVENTH day of FEBRUARY in the year of our Lord one thousand nine hundred and SIXTY-THREE and of the Independence of the United States the one hundred and EIGHTY-SEVENTH.

**To all to whom these presents shall come, Greeting:**

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming,

is now deposited in the Bureau of Land Management, whereby it appears that full payment has been made by the claimant Kate M. Gilchrist

according to the provisions of the Act of Congress approved March 3, 1877 (19 Stat. 377), as amended by the Act of March 3, 1891 (26 Stat. 1096), for the following described land:

Sixth Principal Meridian, Wyoming.

T. 30 N., R. 111 W.,
Sec. 11, E½NE¼, NE¼SE¼;
Sec. 12, NW¼NE¼, NW¼.

The area described contains 320.00 acres,

according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the several Acts of Congress in such case made and provided, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said claimant and to the heirs of the said claimant the tract above described; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimant and to the heirs and assigns of the said claimant forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States.

Excepting and reserving, also, to the United States all the oil and gas in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914 (38 Stat. 509). This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437), and the Act of March 4, 1933 (47 Stat. 1570), and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentee for damages resulting from proper mining operations.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the TWENTIETH day of JUNE in the year of our Lord one thousand nine hundred and SIXTY-THREE and of the Independence of the United States the one hundred and EIGHTY-SEVENTH.

There is also reserved to the United States, all mineral deposits in the land above described, together with the right to mine and remove the same, under applicable laws and regulations to be established by the Secretary of the Interior.

If the patentee or its successor in interest does not comply with the provisions of the approved plan of development, filed on May 23, 1960 with the Bureau of Land Management, or with the approved plan of management, filed on December 12, 1963 with the BLM, or by any revision thereof approved by the Secretary of the Interior or his delegate, said Secretary or his delegate, after due notice, and opportunity for a hearing, may declare the terms of this grant terminated in whole or in part. The patentee, by acceptance of this patent, agrees for itself and its successors in interest that such declaration shall be conclusive as to the facts found by the Secretary or his delegate and shall, at the option of the Secretary or his delegate, operate to revest in the United States full title to the lands involved in the declaration.

The Secretary, or his delegate, may in lieu of said forfeiture of title require the patentee or its successor in interest to pay the United States an amount equal to the difference between the price paid for the land by the patentee prior to issuance of the patent and 50 percent of the fair market value of the patented lands, to be determined by the Secretary or his delegate as of the date of issuance of this patent, plus compound interest computed at four percent beginning on the date this patent is issued.

Provided, that, if the patentee or its successor attempts to transfer title to or control over the lands to another or the lands are devoted to a use other than that for which the lands were conveyed, without the consent of the Secretary of the Interior or his delegate, or prohibits or restricts, directly or indirectly, or permits its agents, employees, contractors, or subcontractors (including without limitation, lessees, sub-lessees and permittees), to prohibit or restrict, directly or indirectly, the use of any part of the patented lands or any of the facilities thereon by any person because of such person's race, creed, color, or national origin, title shall revert to the United States.

# The United States of America,

To all to whom these presents shall come, Greeting:

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming, is now deposited in the Bureau of Land Management, whereby it appears that according to the provisions of the Act of Congress of June 14, 1926 (44 Stat. 741; 43 U.S.C. 869), as amended by the Acts of June 4, 1954 (68 Stat. 173) and September 21, 1959 (73 Stat. 571), the Sublette County Historical Society is entitled to a patent for the following described land:

Sixth Principal Meridian, Wyoming.
T. 34 N., R. 110 W.,
Sec. 33, SE¼NW¼NE¼NE¼, E½SW¼NE¼NE¼, NE¼NW¼SE¼NE¼.

The area described contains 10.00 acres, according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the said Acts of Congress, HAS GIVEN AND GRANTED and by these presents DOES GIVE AND GRANT unto the said Sublette County Historical Society the Tract of Land above described, for historic monument site purposes only; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said Sublette County Historical Society, and to its successors forever, subject, however, to the following reservations, conditions, and limitations:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local customs, laws, and decisions of courts. There is reserved from the land hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

There is, also reserved to the United States, all mineral deposits in the land above described, together with the right to mine and remove the same, under applicable laws and regulations to be established by the Secretary of the Interior.

If the patentee or its successor in interest does not comply with the provisions of the approved plan of development, filed on September 6, 1962 with the Bureau of Land Management, or with the approved plan of management, filed on April 9, 1963with the BLM, or by any revision thereof approved by the Secretary of the Interior or his delegate, said Secretary or his delegate, after due notice, and opportunity for a hearing, may declare the terms of this grant terminated in whole or in part. The patentee, by acceptance of this patent, agrees for itself and its successors in interest that such declaration shall be conclusive as to the facts found by the Secretary or his delegate and shall, at the option of the Secretary or his delegate, operate to revest in the United States full title to the lands involved in the declaration.

The Secretary or his delegate, may in lieu of said forfeiture of title require the patentee or its successor in interest to pay the United States an amount equal to the difference between the price paid for the land by the patentee prior to issuance of this patent and 50 percent of the fair market value of the patented lands, to be determined by the Secretary or his delegate as of the date of issuance of this patent, plus compound interest computed at four percent beginning on the date this patent is issued.

Provided, that, if the patentee or its successor attempts to transfer title to or control over the lands to another or the lands are devoted to a use other than that for which the lands were conveyed, without the consent of the Secretary of the Interior or his delegate, or prohibits or restricts, directly or indirectly, or permits its agents, employees, contractors, or subcontractors (including without limitation, lessees, sub-lessees and permittees), to prohibit or restrict, directly or indirectly, the use of any part of the patented lands or any of the facilities thereon by any person because of such person's race, creed, color, or national origin, title shall revert to the United States.

IN TESTIMONY WHEREOF, the undersigned officer of the Bureau of Land Management, in accordance with section 1 of the act of June 17, 1948 (62 Stat., 476, 43 U. S. C. sec. 15), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

Provided, that, if the patentee or its successor attempts to transfer title to or control over the lands to another or the lands are devoted to a use other than that for which the lands were conveyed, without the consent of the Secretary of the Interior or his delegate, or prohibits or restricts, directly or indirectly, or permits its agents, employees, contractors, or subcontractors (including without limitation, lessees, sublessees and permittees), to prohibit or restrict, directly or indirectly, the use of any part of the patented lands or any of the facilities thereon by any person because of such person's race, creed, color, or national origin, title shall revert to the United States.

The grant of the above described lands is further subject to the following reservations, conditions, and limitations:

(1) The patentee or its successor in interest shall comply with and shall not violate any of the terms or provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 241), and requirements of the regulations, as modified or amended, of the Secretary of the Interior issued pursuant thereto (43 CFR 17) for the period that the lands conveyed herein are used for the purpose for which the grant was made pursuant to the act cited above, or for another purpose involving the provision of similar services or benefits.

(2) If the patentee or its successor in interest does not comply with the terms or provisions of Title VI of the Civil Rights Act of 1964, and the requirements imposed by the Department of the Interior issued pursuant to that title, during the period during which the property described herein is used for the purpose for which the grant was made pursuant to the act cited above, or for another purpose involving the provision of similar services or benefits, the Secretary of the Interior or his delegate may declare the terms of this grant terminated in whole or in part.

(3) The patentee, by acceptance of this patent, agrees for itself or its successors in interest that a declaration or termination in whole or in part of this grant shall, at the option of the Secretary or his delegate, operate to revest in the United States full title to the lands involved in the declaration.

**To all to whom these presents shall come, Greeting:**

WHEREAS

Wyoming Game and Fish Commission

is entitled to a Land Patent pursuant to the Act of June 14, 1926, 44 Stat. 741 as amended, 43 U.S.C. 869 (1964), for the following described land:

Sixth Principal Meridian, Wyoming

T. 34 N., R. 109 W.,

sec. 3, lot 2.

Containing 40.48 acres;

NOW KNOW YE, that there is, therefore, granted by the UNITED STATES unto the above named claimant the land above described; TO HAVE AND TO HOLD the said land with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said claimant, its successors and assigns, forever;

EXCEPTING AND RESERVING TO THE UNITED STATES:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890, 26 Stat. 391; 43 U.S.C. 945; and

2. All mineral deposits in the land so patented, and to it, or persons authorized by it, the right to prospect, mine and remove such deposits from the same under applicable law.

If the patentee or its successor in interest does not comply with the provisions of the approved plan of development, filed on November 28, 1966 with the Bureau of Land Management, or with the approved plan of management, filed on November 28, 1966 with the BLM, or by any revision thereof approved by the Secretary of the Interior or his delegate, said Secretary or his delegate, after due notice, and opportunity for a hearing, may declare the terms of this grant terminated in whole or in part. The patentee, by acceptance of this patent, agrees for itself and its successors in interest that such declaration shall be conclusive as to the facts found by the Secretary or his delegate and shall, at the option of the Secretary or his delegate, operate to revest in the United States full title to the lands involved in the declaration.

The Secretary, or his delegate, may in lieu of said forfeiture of title require the patentee or its successor in interest to pay the United States an amount equal to the difference between the price paid for the land by the patentee prior to issuance of this patent and 50 percent of the fair market value of the patented lands, to be determined by the Secretary or his delegate as of the date of issuance of this patent, plus compound interest computed at four percent beginning on the date this patent is issued.

BY BEETTE COUNTY, GILLETTE, WYOMING

Wyoming 2956

Provided, that, if the patentee or its successor attempts to transfer title to or control over the lands to another or the lands are devoted to a use other than that for which the lands were conveyed, without the consent of the Secretary of the Interior or his delegate, or prohibits or restricts, directly or indirectly, or permits its agents, employees, contractors, or subcontractors (including without limitations, lessees, sublessees and permittees), to prohibit or restrict, directly or indirectly, the use of any part of the patented lands or any of the facilities thereon by any person because of such person's race, creed, color, or national origin, title shall revert to the United States.

The grant of the above described land is further subject to the following reservations, conditions, and limitations:

(1) The patentee or its successor in interest shall comply with and shall not violate any of the terms or provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 241), and requirements of the regulations, as modified or amended, of the Secretary of the Interior issued pursuant thereto (43 CFR 17) for the period that the lands conveyed herein are used for the purpose for which the grant was made pursuant to the act cited above, or for another purpose involving the provision of similar services or benefits.

(2) If the patentee or its successor in interest does not comply with the terms or provisions of Title VI of the Civil Rights Act of 1964, and the requirements imposed by the Department of the Interior issued pursuant to that title, during the period during which the property described herein is used for the purpose for which the grant was made pursuant to the act cited above, or for another purpose involving the provision of similar services or benefits, the Secretary of the Interior or his delegate may declare the terms of this grant terminated in whole or in part.

(3) The patentee, by acceptance of this patent, agrees for itself or its successors in interest that a declaration or termination in whole or in part of this grant shall, at the option of the Secretary or his delegate, operate to revest in the United States full title to the lands involved in the declaration.

(4) The United States shall have the right to seek judicial enforcement of the requirements of Title VI of the Civil Rights Act of 1964, and the terms and conditions of the regulations, as modified or amended, of the Secretary of the Interior issued pursuant to said Title VI, in the event of their violation by the patentee.

(5) The reservations, conditions, and limitations contained in paragraphs (1) through (4) shall constitute a covenant running with the land, binding on the patentee and its successors in interest for the period for which the land described above is used for the purpose for which this grant was made, or for another purpose involving the provision of similar services or benefits.

(6) The assurances and covenant required by secs. 1-5 above shall not apply to ultimate beneficiaries under the program for which this grant is made. "Ultimate beneficiaries" are identified in 43 CFR 17.12(h) (1965 edition).

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed

# The United States of America,

To all to whom these presents shall come, Greeting

WHEREAS, a Certificate of the Land Office at Cheyenne, Wyoming, is now deposited in the Bureau of Land Management, whereby it appears that full payment has been made by the Town of Marbleton, Wyoming, according to the provisions of the Act of Congress of June 14, 1926 (44 Stat. 741), as amended by the Acts of June 4, 1954 (68 Stat. 173) and September 21, 1959 (73 Stat. 571), for the following described land:

Sixth Principal Meridian, Wyoming.

T. 30 N., R. 111 W.,

Sec. 29, W½NW¼NE¼.

The area described contains 20.00 acres, according to the Official Plat of the Survey of the said Land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the said Acts of Congress, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT, unto the said Town of Marbleton, Wyoming, the Tract of Land above described, for sewage lagoon site purposes only; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said Town of Marbleton, Wyoming, and to its successors forever; subject, however, to the following reservations, conditions and limitations:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts; and there is reserved from the lands hereby granted, a right-of-way thereon for ditches or canals constructed by the authority of the United States.

There is also reserved to the United States, all mineral deposits in the land above described, together with the right to mine and remove the same, under applicable laws and regulations to be established by the Secretary of the Interior.

This entry is made under Section 29 of the Act of February 25, 1920 (41 Stat. 437) and the Act of March 4, 1933 (47 Stat. 1570), and the patent is issued subject to the rights of prior permittees or lessees to use so much of the surface of said lands as is required for mining operations, without compensation to the patentee for damages resulting from proper mining operations.

If the patentee or its successor in interest does not comply with the provisions of the approved plan of development, filed on February 13, 1962, with the Bureau of Land Management, or with the approved plan of management, filed on June 18, 1963, with the BLM, or by any revision thereof approved by the Secretary of the Interior or his delegate, said Secretary or his delegate, after due notice, and opportunity for a hearing, may declare the terms of this grant terminated in whole or in part. The patentee, by acceptance of this patent, agrees for itself and its successors in interest that such declaration shall be conclusive as to the facts found by the Secretary or his delegate and shall, at the option of the Secretary or his delegate, operate to revest in the United States full title to the lands involved in the declaration.

The Secretary, or his delegate, may in lieu of said forfeiture of title require the patentee or its successor in interest to pay the United States an amount equal to the difference between the price paid for the land by the patentee prior to issuance of this patent and 50 percent of the fair market value of the patented lands, to be determined by the Secretary or his delegate as of the date of issuance of this patent, plus compound interest computed at four percent beginning on the date this patent is issued.

Provided, that, if the patentee or its successor attempts to transfer title to or control over the lands to another or the lands are devoted to a use other than that for which the lands were conveyed, without the consent of the Secretary of the Interior or his delegate, or prohibits or restricts, directly or indirectly, or permits its agents, employees, contractors, or subcontractors (including without limitation, lessees, sublessees and permittees), to prohibit or restrict, directly or indirectly, the use of any part of the patented lands or any of the facilities thereon by any person because of such person's race, creed, color, or national origin, title shall revert to the United States.

Provided further that, if the patentee or its successor fails to construct and maintain the sewage lagoon in such a manner as to protect the public health and safety; or fails to maintain sanitary conditions in accordance with State or local zoning restrictions, building codes, or similar limitations, title shall revert to the United States.

IN TESTIMONY WHEREOF, the undersigned officer of the Bureau of Land Management, in accordance with section 1 of the act of June 17, [illegible] Stat. 476, 43 U. S. C. sec. 15), has, in the name of the United States caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.
