Subject to all easements and reservations of sight and record.

The above-described property is subject to the following protective covenants which shall be deemed covenants running with the land and binding upon the grantees and their successors in interest.

The purpose of these covenants is to insure the use of the property for attractive residential purposes, to prevent nuisances, to prevent the impairment of the attractiveness of the property, to maintain the natural environment and protect the ecology of the area, and thereby secure to each tract owner the full benefit and enjoyment of his respective tract.

For the purpose of these protective covenants, a tract is defined as a tract of land of not less than ten (10) acres.

The protective covenants are as follows:

1. All lands covered by this deed shall be used for residential purposes only, and no commercial activity shall be conducted or permitted thereon.

2. No structure shall be erected, placed, or permitted to remain on any tract, other than single family dwellings, garage buildings, stables, and other structures incidental to single family residential use of the tract.

3. No building may be built with tar paper or asphalt materials. No building may have visible exterior covering of cement, cinder block, or unpainted metal. All buildings shall have exterior colors and finish that shall conform with and be in harmony with the natural surroundings.

4. No outside toilets will be permitted, except for a period not to exceed ninety (90) days during the construction of a permanent dwelling house. Any outside toilet used will be

placed so as to be fully screened from all public roadways and shall be removed, torn down and made sanitary at the end of the ninety-day period.

5. Mobile homes, trailer houses, and tent camps may be located upon a tract for a period not to exceed one (1) year, provided that no such mobile home, trailer, or tent shall be parked or located thereon unless the owner is at the same time undertaking the construction of a permanent dwelling house.

6. At such time as a permanent dwelling house is built upon the tract, each owner shall be required to construct underground sanitation facilities in conformity with the laws of the State of Wyoming, and the same shall be placed upon each tract so as not to create any unsafe conditions, or create any nuisance to owners of adjoining tracts.

7. Except on tracts which may contain uncontaminated springs, all water for domestic and culinary purposes shall be drawn from drilled wells. Nothing herein contained shall be construed to prevent owners of tracts from constructing common water or sanitation facilities by private agreement, so long as the same meet with these requirements and the sanitation laws of the State of Wyoming.

8. No tract shall be cut up into more than one tract. It is the intention of this provision that no tract shall be less than ten (10) acres in size.

9. All fences shall be of buck and pole construction made of rough native timber. The buck shall be at least six feet tall and there shall be at least four poles on each span and each span can be no longer than 12 feet in width. The owner of each tract shall be responsible for erecting and maintaining a fence and gates around his respective tract if he desires to prevent the trespass of cattle or other livestock grazing or being ridden in the area.

10. No owner of any tract shall cut down or destroy, or permit the cutting down or destruction of any growing trees on his tract which are more than three inches in diameter when measured one foot above ground level; excepting that such trees may be removed if their location interferes with placement of permitted improvements on the tract. Dead or diseased trees of any size may be removed.

11. No owner shall allow debris, trash, rubbish, or any material of unsightly appearance to remain upon his tract.

12. All debris, garbage, trash, and rubbish shall be hauled from the premises. No outside burning of debris, garbage, trash, or rubbish is allowed.

13. Notwithstanding any laws of the United States of America or of the State of Wyoming, no owner of any lot, members of his family, or guests, shall at any time attempt the killing or capturing of any wild animals or wild birds upon any tract of land in Hoback Ranches.

14. No explosives, guns, firecrackers, or other noise-making devices shall be discharged upon any tracts.

15. Horses are permitted on each tract, provided that no more than four horses shall be allowed for each tract where the horses are maintained.

16. There shall not exist on any tract at any time more than one single family dwelling.

17. No building or any part thereof, including garages and porches, shall be erected on any tract closer than 100 feet to any edge of said tract.

18. The elevation of a tract, or any portion thereof, shall not be changed so as to materially affect the surface elevations or grade of surrounding tracts. No timber, rock, gravel, clay, or other material shall be removed from any tract.

19. No cattle, swine, goats, poultry, or fowl shall be kept or permitted on any tract.

20. There are hereby reserved to grantors, for the purpose of having adequate bridle paths, roadways, and utility easements to serve each tract, a perpetual easement 33 feet in width along each edge of the herein described tract, for the purpose of erecting, constructing, and maintaining bridle paths, roadways, and public utility facilities, both underground and overhead. Grantor hereby reserves the right to change, layout a new, or discontinue any roadway, bridle path, or utility easement, in its sole discretion, that would be beneficial in serving any tract in Hoback Ranches. All claims for damages, if any, arising out of the construction, maintenance, and repair of roadways, bridle paths, and utilities, or on account of temporary or other inconvenience caused thereby against the grantor, or any utility company of any of their agents or servants are hereby waived by grantees hereof.

21. All roads constructed on any tract shall be constructed so far as practical to conform to the topography of the tract and not be visible to adjoining tracts.

22. All electricity and telephone utilities shall be placed underground. No overhead lines are permitted.

Said Protective Covenants, conditions, restrictions, and reservations shall be perpetual and shall apply to and be forever binding upon the grantees hereof, their heirs, executors, administrators, and assigns, and are imposed upon the realty described herein as an obligation and charge against the same for the benefit of the grantor herein and the owners of each adjoining tract, their successors and assigns, and as a general plan for the benefit of said tract and all tracts in Hoback Ranches.

If the owner of any tract conveyed by Hoback Ranches, or their heirs, or assigns shall violate any of the covenants or conditions hereinabove set forth, it shall be lawful for the grantor or any other person owning a tract conveyed by Hoback Ranches to

f. prosecute any proceedings at law or in equity against the person or persons violating any of the covenants or conditions, and either to prevent him from doing so, or to recover damages, including costs and reasonable attorney fees, for such violation, or both.

Invalidation of any of these covenants by judgment or court order shall in no wise affect any of the other provisions, which shall remain in full force and effect.

ESTOPPEL AFFIDAVIT
EXHIBIT "A"

STATE OF WYOMING)
)ss.
COUNTY OF SUBLETTE)

The undersigned, William Robert Tanner and Helen Tanner, husband and wife, "Grantors", hereby make the following agreements and representations to Frank Fear Cattle Company, a Wyoming corporation, "Grantee", for the purpose of inducing Grantee to accept a Quitclaim Deed in Lieu of Foreclosure from Grantors.

1. Grantors have, on this date, voluntarily executed a Quitclaim Deed in Lieu of Foreclosure to the Grantee, which deed is an absolute conveyance of all Grantors' right, title and interest, together with any equitable or statutory rights of redemption, conveying the following described real property:

> Lots 1 through 24, inclusive, Block 19; and Lots 13, 14, 15 and 16, Block 44; and Lots 7, 8, 9, 10, 11 and 12, Block 48; all in the Townsite of Marbleton, Sublette County, Wyoming; and

2. The consideration for this conveyance is the complete release of the Grantors, their heirs, successors and assigns, from any and all liability under the note secured by the mortgage, and the mortgage, executed by Grantors in favor of Prudential Capital Group Co., a Utah corporation, dated December 10, 1984, recorded in the records of Sublette County, Wyoming on December 10, 1984 as instrument number Book 42 of Mortgages, page 774. Said mortgage was assigned to Grantee and the assignment was recorded in the records of Sublette County, Wyoming in Book 49 of Mortgages, page 508 on August 22, 1988. In further consideration of the Quitclaim Deed in Lieu of Foreclosure, Grantee hereby waives any unsecured deficiency claim it may have against Grantors, and Grantee agrees that it shall not file any claim in the Grantors' bankruptcy case and, if any claim is filed by Grantee, such claim shall be disallowed by the Bankruptcy Court.

3. Grantors represent that the Grantee has not engaged in any fraud, misrepresentation, duress or undue influence whatsoever in obtaining the Quitclaim Deed in Lieu of Foreclosure from the Grantors. Grantors further represent that the Grantee did not induce, or attempt to induce, the Grantors to execute this deed, and that the Grantors have been advised of the effects and consequences of said deed by their own legal counsel.

4. Grantors acknowledge that the indebtedness secured by the mortgage described above is past due and all indebtedness due thereunder is now due and owing, and that Grantors are obligated to the Grantee for the payment of said indebtedness and that as a result of such default, the Grantee is entitled to foreclose said Mortgage.

5. Grantors represent that said deed is not given to Grantee as a preference against any of Grantors' other creditors.

6. It is intended by Grantors that said deed be, and the same is, an absolute grant of title in effect as well as in form, and this instrument is not intended by the Grantors to be a mortgage or additional security for any existing mortgage.

7. Grantors hereby unconditionally waive and release all rights under and by virtue of the homestead exemption laws of the State of Wyoming, and any and all rights of redemption which they might have in the described property, whether legal or

equitable, and all right, title, and interest of every nature in the property.

8. Grantors affirmatively state that there is no understanding or agreement with the Grantee whereby Grantors have any right to a reconveyance of the premises or an interest in any sale proceeds or rentals which the Grantee may receive from a subsequent sale or rental of the property. Grantors further acknowledge that the value of said property is not in excess of the amount of the indebtedness outstanding against the same.

9. Grantors release to Grantee any and all rights that Grantors may have in any escrow account relative to the property described above, and agree to promptly execute any documents that may be required to convey any such interest to Grantee.

10. Grantors agree that the Grantee's mortgage against the above-described property shall remain in full force and effect until specifically released by the Grantee, and nothing contained in this instrument or in said deed shall be construed to work a merger of the Grantee's mortgage or any title Grantee may acquire by this instrument. The acceptance of said deed and the consideration therefor shall be evidenced by and be the release of said mortgage.

11. Grantors acknowledge that immediately upon execution of said deed, Grantee shall become entitled to immediate, absolute and exclusive possession of the subject property and that Grantors shall thereafter be deemed tenants at sufferance unless Grantee expressly agrees, in writing, with Grantors to the contrary.

12. There are no agreements, either oral or written, between Grantors and Grantee other than as stated in this instrument, with respect to the above-described property.

13. Grantors agree that said Quitclaim Deed in Lieu of Foreclosure shall not restrict the right of Grantee, at its election, to institute foreclosure proceedings in connection with the mortgage, and while the Grantors have been personally released from all liability, the Grantee may retain the mortgage and any other evidence of indebtedness secured thereby and may consider said obligations unpaid and in default for purposes of instituting foreclosure proceedings against third parties who may claim or have an adverse interest in or lien upon said property.

14. This instrument and said deed shall be binding upon the parties hereto, their respective heirs, devisees, legatees, executors, administrators, successors and assigns.

15. Grantors represent that they are debtors in possession in Case No. 88-05228-B in the United States Bankruptcy Court for the District of Wyoming and that the Court has approved their Motion for Order Approving Compromise and Settlement which effectively authorizes them to execute this instrument.
